**REGIONAL LANDSCAPING SERIES**

**THE REGIONAL LANDSCAPING SERIES**

The nine books in the series contain designs and variations covering more than two dozen of the most common situations, such as front entries, foundation plantings, patios, and steep slopes. Complete descriptions of more than 200 region-specific plants are provided, including hardiness zones; watering, soil, and sunlight needs; propagation information; blooming season; plus growth size. Each book shows the whole range of tasks, from plant selection and care to building walks, walls, fences, and trellises.

**OVER 1 MILLION SOLD!**

- Provides landscape designs created by landscape professionals in the region
- Each title includes: Design Portfolios, Guide to Installations, and Plant Portraits
- Great introduction to the best plants for each region
- Full cross-referenced index and a glossary
- Landscaping tasks from plant selection and care to building walks, walls, fences, and trellises
- Complete descriptions of the approximately 200 plants employed in the designs
- Full-color photos and illustrations are complemented by easy step-by-step instructions

 \$19.95 (US) / \$22.95 (CAN)

**THE CAN'T FAIL SERIES**

The Can't Fail series is authored by an expert in a particular area of design, such as color, window treatments, or “home face-lifts.” It’s also a visual reference guide that consumers can bring to a store, such as a paint store or a design center, to show a salesperson, fabricator, or contractor exactly what they want so that it can be duplicated.

- Authored by experts
- A visual reference guide with many variations of particular matters (such as colors, stone and tile, window treatments, or price ranges)
- A convenient size to take along while shopping
- A lay-flat binding for easy, quick reference and placeholding
- Beautiful, inspirational full-color photography
- Many design styles, from traditional to contemporary

**THE HOME PLANS SERIES**

These books are aimed at customers who are looking to purchase Home Plans in any of a wide variety of styles and designs from the top architects and designers in the country. We have selected the best-selling designs from these leading architects and designers to create a series of books offering many categories.

- Over 100,000 builders annually buy stock blueprints
- “Real Homes for Real People”—photos in full color of actual homes built from the featured plans
- Includes a wide range of styles
- Drawings of floor plans, side views, and rear views that provide the reader with a true appreciation of the designs
- Interior photography of stunning rooms for many of the home designs
- Smart Tips, design ideas, and advice for the homeowner
- Construction blueprints for every home—easily customizable
- Cost estimates to build a plan in any zip code
- Materials lists that can be brought by builder to the lumber yard/pro dealer
