Two Caldecott Honorees present a heartfelt reflection on the natural course of friendship—and life.

City Dog, Country Frog

By Mo Willems

Illustrated by Jon J Muth

In spring, when City Dog runs free in the country for the first time, he spots Country Frog sitting on a rock, waiting for a friend. "You'll do," Frog says, and together they play Country Frog games. In summer, they meet again and play City Dog games. Through the seasons, whenever City Dog visits the country he runs straight for Country Frog's rock. In winter, things change for City Dog and Country Frog. Come spring, friendship blooms again, a little differently this time.

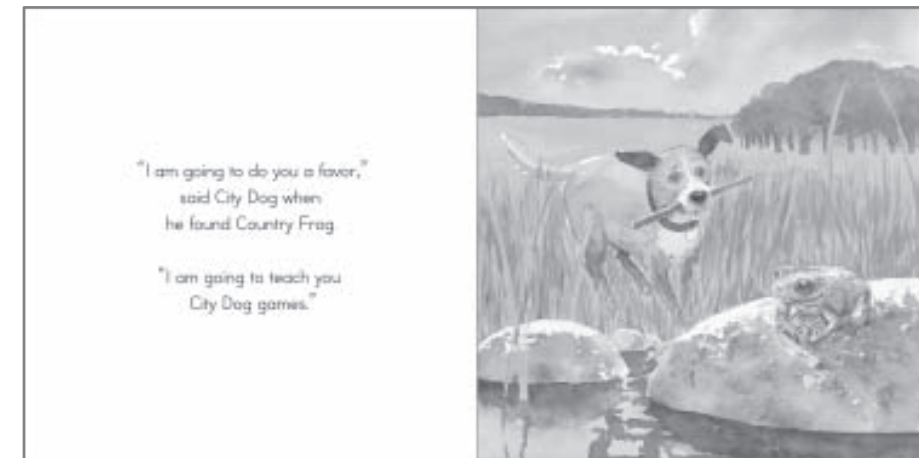

Mo Willems's spare, poignant text and Jon J Muth's expressive watercolors team up to tell a story that will resonate with readers of all ages.

Mo Willems (www.pigeonpresents.com) is the *New York Times* best-selling author and illustrator of picture books and early readers that have changed the face of children's literature. He has been awarded a Caldecott Honor on three occasions, and two of his *Elephant* and *Piggie* early readers have received a Theodor Seuss Geisel Medal. His most recent picture book is *Naked Mole Rat Gets Dressed*, of which the *Bulletin of the Center for Children's Books* wrote: "Willems continues to be a master at conveying an amazing amount of emotion and humor using . . . minimal elements" in a starred review. His dog Nelson was the inspiration for this book.

Jon J Muth is the author and artist of the *New York Times* best seller and Caldecott Honor Book *Zen Shorts*. He has illustrated many award-winning books, including another *New York Times* best seller, *A Family of Poems*, by Caroline Kennedy. He is also the writer and illustrator of *The Three Questions*, which the *New York Times* called "quietly life changing."

Just in time for the World Cup, an upbeat celebration of soccer—
from the master himself

For the Love of Soccer!

By Pelé
Illustrated by Frank Morrison

What does the world's greatest soccer player love about the game? The same things that we do! Speed, teamwork, dribbling, passing, taking your best shot—and making a G-O-O-A-A-L!

Pelé, three-time World Cup champion, has been the subject of several unauthorized biographies. But here, in his own words, he celebrates the kick and thrill of his favorite sport. Artist Frank Morrison scores an amazing assist with two dynamic visual stories: Pelé's inspiring rise to fame, and a young athlete's efforts to follow in

his hero's speedy footsteps. Together, words and pictures deliver all the fun and excitement of a closely matched game. World Cup fans, come play!

Pelé joined his first professional soccer team at age fifteen, and went on to a dazzling career. He became the top-scorer in the history of the Brazil national team, as well as the first player ever to win three World Cup medals. He also played for the New York Cosmos, and his charisma and grace on the field helped popularize soccer in America. Since his retirement, he has been an ambassador for soccer worldwide. This is his first book for children.

Frank Morrison (www.morrisongraphics.com) is the illustrator of *Out of the Ballpark* by Alex Rodriguez and *Queen of the Scene* by Queen Latifah, and was awarded a Coretta Scott King/John Steptoe Award for New Talent for *Jazzy Miz Mozetta* by Brenda C. Roberts. He lives in Atlanta, Georgia.

Baby Owl is not cute, not scared, and not Santa. It's only natural
that he's not sleepy, too!

"I'm Not Sleepy!"

Written and illustrated by Jonathan Allen

In this new installment in Jonathan Allen's successful series, our ever argumentative hero, Baby Owl, is definitely NOT ready for bedtime. Other animals stay awake during the day, so why shouldn't he? He isn't yawning, he's thinking! Owls are very wise, and they spend a lot of time thinking, you know. So why does everyone seem to think Baby Owl is sleepy? He's not! He's really not! He's . . . fast asleep.

Jonathan Allen earned his B.A. in graphic design at St. Martins College of Art, London, and went on to create many successful children's books. He lives in South Cambridgeshire, England, with his partner, two children, a dog, and several guitars.

What do you do when your science project destroys the world? Make another!

Oh No! (or how my science project destroyed the world)

By Mac Barnett
Illustrated by Dan Santat

Some kids are too smart for their own good . . . and maybe for everybody else's good. When an overambitious little girl builds a humongous robot for the science fair, she fully expects to win first place. What she doesn't expect is the chaos that follows.

Mac Barnett, a picture-book author on the rise, and Dan Santat, illustrator of Rhea Perlman's Otto Undercover series, combine forces to create a hilarious kid's-eye account of the kind of destruction that can come only from a child's good intentions. This book is sure to appeal to kids and parents familiar with the ordeal of science fairs.

Mac Barnett (www.macbarnett.com) is a writer living in Oakland, California. He's also the executive director of 826LA, a nonprofit writing and tutoring center, and founder of the Echo Park Time Travel Mart, a convenience store for time travelers (seriously).

Dan Santat (www.dantat.com) is the author and illustrator of *Guild of Geniuses* and the illustrator of many books, including *The Secret Life of Walter Kitty* by Barbara Jean Hicks. He has an animated series for Disney called *The Replacements*. He lives in southern California.

Copters and stunt planes and jets, oh my!

Air Show!

By Treat Williams
Illustrated by Robert Neubecker

Ellie and Gill are going to the air show! There will be over 10,000 planes there. But there's one kind of plane in particular that Ellie's got her eye on. Will she go up in a stunt plane?

Beloved motion picture and television actor Treat Williams and acclaimed picture book creator Robert Neubecker team up to give kids a tour of the air show. Loaded with color and action and lots of cool pilot-speak, this book is perfect for read-alouds as well as for poring over again and again. *Air Show!* is sure to find fans among young lovers of gadgets and vehicles. Blue sky? Check! Cool planes? Check! Ready for takeoff!

Treat Williams has been an actor and pilot for over 30 years. He began his career on Broadway as Danny Zuko in *Grease*. His films include *Hair*, *Prince of the City*, *Once Upon a Time in America*, *Deep End of the Ocean*, and most recently, *What Happens in Vegas*. On television he starred as Dr. Andy Brown in *Everwood*. He is a commercial pilot and flight instructor and lives in Park City, Utah, with his wife and two children. This is his first book.

Robert Neubecker (www.neubecker.com) is a regular contributor to *Slate.com*, *Time*, the *Wall Street Journal*, and the *Los Angeles Times*. His books include *Wow! City!*, an ALA Notable Book for 2005. A longtime New Yorker, Robert now lives in Park City, Utah.

Get ready to play along with Elephant and Piggie and their new friend, Snake!

Can I Play Too? (An Elephant & Piggie Book)

Written and illustrated by Mo Willems

Gerald is careful. Piggie is not. Piggie cannot help smiling. Gerald can.
Gerald and Piggie are best friends.

In *Can I Play Too?* Gerald and Piggie meet a new friend, Snake, who wants to join in a game of catch. But don't you need arms to catch?

Mo Willems' Geisel Award-winning duo never fails to tickle readers of all ages. Like previous Elephant & Piggie Books, this adventure has been vetted by an early-learning specialist and emerging learners themselves. It turns reading into play!

Number one *New York Times* best-selling author and illustrator **Mo Willems** has been awarded a Caldecott Honor on three occasions (for *Don't Let the Pigeon Drive the Bus!*, *Knuffle Bunny: A Cautionary Tale*, and *Knuffle Bunny Too: A Case of Mistaken Identity*). Other favorites include *Naked Mole Rat Gets Dressed* and *Big Frog Can't Fit In*.

Mo began his career on *Sesame Street*, where he garnered six Emmy Awards.

Praise for the Elephant & Piggie Books:

"Beginning reader heaven."

—Jon Scieszka, National Ambassador for Young People's Literature

★ "These books will easily take their place alongside Seuss and Eastman as classics in the beginning-reader genre." —*The Bulletin* (starred review)

★ "Accessible, appealing, and full of authentic emotions about what makes friendships tick, these titles will put a contemporary shine on easy reader collections." —*Booklist* (starred review)

★ "These masterful mini-dramas will delight and amuse easy-reader and picture-book audiences, alike." —*School Library Journal* (starred review)

"In the world of children's picture books, the biggest new talent to emerge thus far in the '00s is the writer-illustrator Mo Willems." —*The New York Times*

Yoko's Show-and-Tell

By Rosemary Wells

When Yoko's grandparents send her a beautiful antique doll named Miki all the way from Japan, Yoko couldn't be happier. She places Miki on her red carpet and brings her candy until Girls' Festival on March 3. Even though Mama said no, Yoko decides to sneak Miki to school for show-and-tell. How could she have guessed that Miki would be in an accident along the way? Looks like a trip to the Doll Hospital is in order!

Rosemary Wells poignantly captures Yoko's regret over a poor decision and subtly shows the healing power of love in this charming picture book for the youngest readers.

Rosemary Wells (www.rosemarywells.com) is the award-winning author of numerous books for children, including *My Kindergarten*; *Emily's First 100 Days of School*; and three other books in the Yoko series. She lives in Connecticut.

Following the rules isn't so bad . . . when your mother is a monster!

Always Listen to Your Mother

By Florence Parry Heide and Roxanne Heide Pierce
Illustrated by Kyle M. Stone

Ernest always does what his mother asks . . . and never has any fun. When a new boy moves in next door, Ernest's mother encourages her son to make friends. But the new neighbors seem a little bit . . . strange—monstrous, even. Obeying Ernest's new friend Vlapid's mother means Ernest must do things he'd never dare try at home. And it's fantastic!

Veteran children's book author Florence Parry Heide and her daughter Roxanne Heide Pierce team up with Kyle M. Stone to create a gleefully subversive take on the traditional new-neighbor story. Lots of energy and mayhem and a cool gothic approach to the illustrations make this a great choice for Halloween and all year round.

Florence Parry Heide has published more than 100 books for children and youth—from picture books to adolescent novels—and several collections of poetry. Her best-known works are a series of storybooks about the curious adventures of a boy named Treehorn. She has collaborated with her daughter, **Roxanne Heide Pierce**, on many books, including *Oh, Grow Up!* and *Tío Armando*.

Kyle M. Stone (www.kylemstone.com) graduated from The College for Creative Studies, where he studied traditional illustration and design. He's received a Certificate of Merit from the Society of Illustrators. His picture books include *Please Bury Me in the Library* (by J. Patrick Lewis), and *I Love My Pirate Papa* (Laura Leuck). Kyle lives in Michigan.

Even a good boy can stand his ground!

Don't Call Me Pruneface!

By Janet Reed Ahearn
Illustrated by Drazen Kozjan

Paul is a good boy. Everybody says so. But his new neighbor is enough to try anyone's patience. She walks her cat on a leash, calls Paul and his dog mean names, and makes a general nuisance of herself. Will the mild-mannered Paul survive the first week next door to Prudence?

Debut picture book author Janet Reed Ahearn and illustrator Drazen Kozjan use humor and style to show the classy approach to confronting one's peers. Loaded with color, feisty energy, and lots of good jokes, *Don't Call Me Pruneface!* will teach kids how to deal with bullies even as it entertains.

Janet Reed Ahearn is a graduate of Carnegie Mellon University and founder of Primary Theatre Company, an Off-Broadway theater company. *Don't Call Me Pruneface!* is her first picture book. She lives in New York City.

Drazen Kozjan (www.drazenkozjan.com) was born in Karlovac, Croatia, and grew up in Canada. He has illustrated *Diary of a Fairy Godmother* by Esmé Raji Codell, *The Biggest Girl in the World* by Joanne Stanbridge, *How to Tame a Bully* by Nancy Wilcox-Richards, and the Julia Gillian series by Alison McGhee. He lives in Toronto, Ontario.

A nighttime adventure by air, land and sea!

Franklin's Big Dreams

By David Teague
Illustrated by Boris Kulikov

Franklin's trying to sleep, but a construction crew has other plans. Each night there's a different project: railroad, canal, runway—and every one of them is being built in the middle of Franklin's bedroom. Where are all these people going? And why are they travelling through his house? Franklin is determined to find out.

With equal measures of dreamy adventure and down-to-earth construction fun, this collaboration between new author David Teague and established illustrator Boris Kulikov is sure to be a favorite bedtime book in homes everywhere.

David Teague is a writer and teacher based in Wilmington, Delaware. He was a recipient of the Delaware Division of the Arts Fellowship in fiction. This is his first picture book.

The highly-anticipated new series from *New York Times* best-selling author Rick Riordan

Cover not available.

The Kane Chronicles, Book One: The Red Pyramid

By Rick Riordan

Since their mother's death, Carter and Sadie have become near strangers. While Sadie has lived with her grandparents in London, her brother has traveled the world with their father, the brilliant Egyptologist Dr. Julius Kane.

One night, Dr. Kane brings the siblings together for a "research experiment" at the British Museum, where he hopes to set things right for his family. Instead, he unleashes the Egyptian god Set, who banishes him to oblivion and forces the children to flee for their lives.

Soon, Sadie and Carter discover that the gods of Egypt are waking, and the worst of them—Set—has his sights on the Kanes. To stop him, the siblings embark on a dangerous journey across the globe—a quest which brings them ever closer to the truth about their family, and their links to a secret order that has existed since the time of the pharaohs.

Rick Riordan (www.rickriordan.com) is the author of all the books in the *New York Times* best-selling Percy Jackson and the Olympians series: *The Lightning Thief*, *The Sea of Monsters*, *The Titan's Curse*, *The Battle of the Labyrinth*, and *The Last Olympian*. His previous novels for adults include the hugely popular Tres Navarre series, winner of the top three awards in the mystery genre. He lives in San Antonio, Texas, with his wife and two sons.

Praise for *Percy Jackson & the Olympians*:

The Lightning Thief

"Perfectly paced, with electrifying moments chasing each other like heartbeats."
—*The New York Times Book Review*

The Sea of Monsters

★ "In a feat worthy of his heroic subjects, Riordan crafts a sequel stronger than his compelling debut." —*Publishers Weekly* (starred review)

The Titan's Curse

"All in all, a winner of Olympic proportions." —*School Library Journal*

The Battle of the Labyrinth

★ "This volume can stand alone, but no reader will be able to read just one. Look no further for the next Harry Potter; meet Percy Jackson, as legions of fans already have." —*Kirkus Reviews* (starred review)

The Last Olympian

"The clash of modern and classical worlds is both exciting and entertaining."

The third novel in the Kingdom Keepers series!

From *Kingdom Keepers III*:

From the moment Finn took off running, he was afraid. He hated snakes. Any kind of snake gave him the weebies. A python as thick around as a basketball and nearly twenty feet long was the stuff of his worst nightmares—he'd never even had a dream that bad. Somewhere inside him he understood how stupid he'd been to offer to play the decoy. Somewhere in him he understood how fast a snake that big could travel across ground and how if there was any small piece of him not fully crossed-over when the snake caught up to him—for it would catch up to him no matter how fast he ran—that he would be caught, crushed, and consumed. But he ran straight at the snake, as fast as his legs would carry him.

Kingdom Keepers III

Disney in Shadow

By Ridley Pearson

When Disney Imagineers installed hologram guides for the Magic Kingdom using teenage models, they had no idea the technology might backfire. But backfire it did: some nights when the kids go to sleep, they wake up in one of the Disney parks as a hologram.

With the adventures in the first books now resolved, *Kingdom Keepers III: Disney in Shadow* follows the five teens—Finn, Philby, Willa, Charlene, and Maybeck—as they search to find Wayne, their mentor and head Imagineer, who has mysteriously gone missing. Concerned that Wayne has been abducted by the Overtakers—Disney villains, who along with other Disney characters, take over the parks when the turnstiles stop spinning and who want desperately to steer the parks to a far darker place—the five kids pick up a major clue from their close friend whose dreams (nightmares, really) often accurately predict the future.

Clues from a dream lead the kids into Disney's Hollywood Studios and Epcot. Each clue seems tied to the last, and with the stakes growing ever higher, what starts out as a puzzle ends up as a fight for survival. A transparent paper box, a quest for a sword, rides on Soarin' and Maelstrom, life-and-death encounters with a giant snake and a devious Maleficent lead the Kingdom Keepers not only to begin to decipher deeper meanings to the clues but to discover new truths about themselves and their ever-growing friendships.

Ridley Pearson is the award-winning coauthor, along with Dave Barry, of *Peter and the Starcatchers*; *Peter and the Shadow Thieves*; *Peter and the Secret of Rundoon*; *Peter and the Sword of Mercy*; *Escape From the Carnivale*; *Cave of the Dark Wind*; *Blood Tide*; and *Science Fair*. In addition to *Kingdom Keepers: Disney After Dark*; *Kingdom Keepers II: Disney at Dawn*; and the *Kingdom Keepers III: Disney in Shadow*, he has written the young adult thrillers *Steel Trapp: The Challenge* and *Steel Trapp: The Academy*. He has written more than twenty best-selling crime novels, including *Killer View* and *Killer Weekend*. He was the first American to be awarded the Raymond Chandler/Fulbright Fellowship in Detective Fiction at Oxford University.

Praise for *The Kingdom Keepers: Disney After Dark*:

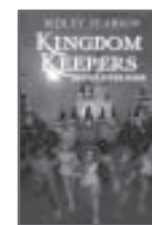

"The adventure makes cunning use of Disney's mythos."—*Kirkus Reviews*

"The illicit thrill of seeing all the things you don't normally get to see (both real and imaginary) makes this a must-read for serious Disney fans."—*School Library Journal*

"This is a read-with-the-flashlight-under-the-blankets-until-two-in-the-morning kind of book, taking familiar scenes and places and turning them upside down."

Blue Bloods: Keys to the Repository

By Melissa de la Cruz

Lavish parties. Secret trysts. Bone-chilling murders. Angels. Demons. Midterms. The day-to-day lives of Schuyler Van Alen and her Blue Blood friends (and enemies) are never boring. But there's oh-so-much more to know about these beautiful and powerful teens. Below the streets of Manhattan, within the walls of the Repository, is a wealth of never-before revealed information about the vampire elite that dates back to the dawn of history. In a series of short stories, journal entries, and intimate letters,

A quirky romance between a rock-n-roll freak and a girl who can't stop kissing

Cover not final

Two veteran YA authors tell, in alternating chapters, the story of two kids who discover that the best parts of people can't be summed up easily.

The Half-life of Planets

By Emily Franklin and Brendan Halpin

Liana is an aspiring planetary scientist . . . and also a kissing addict. This summer, though, she plans to spend every kissworthy hour in the lab, studying stars.

Hank has never been kissed. He's smart and funny and very socially awkward, because he's got Asperger's syndrome. Hank's plan for the summer is to work at a music store and save enough to buy the Fender Jazzmaster he craves.

What neither Liana nor Hank plans for is their fateful meeting . . . in the women's bathroom at the hospital. But their star-crossed encounter could be the very best kind.

Two veteran YA authors tell, in alternating chapters, the story of two kids who discover that the best parts of people can't be summed up easily.

Emily Franklin and **Brendan Halpin** are both accomplished authors in the YA world. Emily has written a dozen novels for young adults, including the critically acclaimed Principles of Love series and *The Other Half of Me*. Brendan's first novel for young adults, *How Ya Like Me Now*, was published in 2007; his second YA effort, *Forever Changes*, came out in September 2008. Emily (www.emilyfranklin.com) lives in Newton, Massachusetts; Brendan (www.brendanhalpin.com) resides in Jamaica Plain, Massachusetts.

Teens battle diseased grown-ups in this post-apocalyptic thriller by an internationally best-selling author.

Cover not final

From *The Enemy*:

His dad had been the first to go. One of the very first to die when the illness struck. He had even been on the news; the headline had said something like "Another Death From Mystery Illness Sweeping Europe." Then there had been more and more deaths, and not just in Europe—all around the world. They'd stopped mentioning individuals; it had been whole streets, then whole towns. It had all happened so fast people had been stunned, and hadn't really had time to panic. The whole world had sort of gone into shock. His mother had been frantic after Dad died. She packed the house up, ready to try to escape to the countryside and stay with Auntie Susan. But she fell ill before they could get away. Then it was just Ollie and his brothers. They tried to leave London by themselves. His oldest brother, Dan, got sick next. He'd been eighteen. Then Will, sixteen.

His younger brother, Luke, hadn't been old enough to get sick. He'd been killed in a riot up near Finsbury Park. That must have been over a year ago. It felt more like a century. By then Ollie had had no more tears left to cry, the catastrophe had been so immense, so overwhelming, that he had just pushed it out of his mind and concentrated on trying to stay alive. He owed it to his family, as the last one left, not to die.

The Enemy

By Charlie Higson

In the wake of a devastating disease, everyone older than sixteen is either dead or a decomposing, brainless creature with a ravenous appetite for flesh. Teens have barricaded themselves in buildings throughout London and venture outside only when they need to scavenge for food. The group of kids living at Waitrose supermarket is beginning to run out of options. When a mysterious traveler arrives and offers them safe haven at Buckingham Palace, they begin a harrowing journey across London. But their fight is far from over—the threat from within the palace is as real as the one outside it.

Full of unexpected twists and quick-thinking heroes, *The Enemy* is a fast-paced, white-knuckle tale of survival in the face of unimaginable horror.

Charlie Higson is an acclaimed comedy writer, producer, and actor. He is the author of the many thrillers for adults and teens, including the Young Bond series. He lives in London, England.

The explosive first book in the Young Bond series . . . now a graphic novel!

SilverFin: The Graphic Novel

By Charlie Higson & Kev Walker

Since 2005, readers have traveled the world with a young man whose inquisitive mind, determination, and thirst for adventure would set him on a course for greatness. Now, see Young Bond in action for the very first time.

There's something slithering in the dark waters around a Scottish castle. Something that must be kept secret. Something deadly.

One man with a thirst for power will use it, whatever the cost.

One boy stands in the way.

His name is Bond. James Bond.

Charlie Higson is an acclaimed comedy writer, producer, actor, and genuine Bond aficionado. He is the author of the adult thrillers *Full Whack* and *King of the Ants*, as well as the internationally best-selling Young Bond series: *SilverFin*, *Blood Fever*, *Double or Die*, *Hurricane Gold*, and *By Royal Command*. He lives in London.

Kev Walker has been illustrating Young Bond since its debut in 2005. Additionally, he has worked for Games Workshop, DC Comics, Marvel Comics, and Dark Horse. He resides in London. Visit www.youngbond.com

The thrilling fifth book in the internationally best-selling Young Bond series

The Young Bond Series, Book 5: By Royal Command

By Charlie Higson

James Bond's every move is being watched. He alone holds the clue to a sinister plot that will bring bloodshed and carnage to his school . . . and his country. Forced to flee from Eton to Austria, James must leave behind everything he knows, with only a beautiful—and dangerous—girl by his side. Soon he is trapped in a deadly war of secrets and lies, as a nightmare reunion with a bitter enemy throws him once more into the path of death.

With nowhere to run and no one to trust, James will have to uncover the truth behind an evil plot before all is lost.

A riotous story about two best friends and their romantic misadventures abroad

Cover not available

A Field Guide for Heartbreakers

By Kristen Tracy

When best friends Dessy and Veronica arrive in Prague for a prestigious writing workshop, their priorities diverge. Dessy, fragile from a recent breakup, has come to mend her broken heart by honing her craft. Veronica has just *dumped* her boyfriend and plans to blow off the workshop. She'd rather master a different subject—boys.

Veronica gets right to work on her “man-wall”—one paper cutout for every hot-dude she meets—and embarks on her mission to cover a wall of their dorm by summer’s end. At times, Dessy thinks her friend might be a genius. At others, Veronica seems more like an agent of chaos. As

if their love lives weren't complicated enough, soon a homicidal suitemate is bent on killing Veronica *and* Dessy, and both girls are hiding secrets that could wreck their friendship.

Well, no one ever said breaking hearts was a simple craft. . . .

Kristen Tracy (www.kristentracy.com) is the author of the young adult novels *Lost It* and *Crimes of the Sarahs*, and the middle-grade novel *Camille McPhee Fell Under the Bus*. She lives in San Francisco.

From *A Field Guide for Heartbreakers*:

Veronica held up a cutout shaped like a paper doll. Sort of.

“This is the paper replica of a hot-dude. We met four hot- dudes last night, so I’m going to stick them on the wall. By the time I leave Prague, I aim to cover my entire wall area in hot-dudes.”

“What?” I asked.

Veronica stopped cutting and looked up at me. “Let me start over. I’m constructing a man-wall out of hot-dudes. I’m making four hot-dudes right now. A Kite. A Waller. A Frank. And a Roger.”

“Who’s Roger?”

“The hot-dude in the ball cap who pulled super-hot Frank out of the Ficus tree.”

“I can’t believe you remember all their names.”

“Dessy, it’s hard to conquer a man if you don’t know his name.”

Carter’s Big Break

By Brent Crawford

Cover not available

After surviving freshman year (just barely), Carter is craving his summer break. Unfortunately, when he and his girlfriend, Abby, part ways, it looks as though summer just might break him. Things start to look up when he’s unexpectedly cast in an independent film opposite the world’s biggest tween sensation, Hilary Idaho. With Hollywood knocking on his door, Carter gets a taste of the good life. But as the film spirals out of control, he begins to fear that he’s not the “somebody” he thinks he is and more the “nobody” he’s sure he always has been. Find out if Carter goes Hollywood . . . or Hollywood goes Carter.

Brent Crawford (www.brent-crawford.com) is the author of the critically acclaimed *Carter Finally Gets It*. He has worked in theater, film, TV, and commercials and has written numerous plays and screenplays. He lives in Kansas City, Kansas.

Praise for *Carter Finally Gets It*:

★ “[A] true-to-life, edgy, and often hilarious debut novel. The first-person narrative nails the voice of an earnest teen.” —*Publishers Weekly* (starred review)

“*Carter Finally Gets It* is written in some of the most perfect voice I have ever read in a YA book. It’s like Nick Hornby without the angst.” —Kidliterate.com

“Crawford expertly channels his inner 14-year-old for this pitch-perfect comedy.” —*Booklist*

The highly-anticipated fourth book in the *New York Times* best-selling series

From *Only the Good Spy Young*:

"Welcome to Baring Cross station," a high voice said as the van's door slid open.

Instantly, Bex's mother's arm was around my waist, her father's hand was gripping mine, and the best and brightest of Her Majesty's Secret Service were ushering me out of the van and into a cavernous space that must have been at least five stories high.

Catwalks ran through the air and more vans sat to my right, parked at strange angles as people ran, shouting orders, hurrying on some urgent business and it took me a while to realize that the business . . . was me.

Only the Good Spy Young

By Ally Carter

When Cammie Morgan enrolled at the Gallagher Academy for Exceptional Young Women, she knew she was preparing for the dangerous life of a spy. She just didn't know that life would start during her junior year of high school. But that's exactly what happened two months ago when Cammie faced off against a mysterious organization called the Circle of Cavan.

Now, even Cammie "The Chameleon" can't hide. Danger has followed her to London where she discovers a trusted ally has been labeled a rogue operative. The Gallagher Girls quickly realize that the Circle's agents are closer than they'd ever feared—maybe even within Gallagher Academy's own walls.

History of Espionage takes on an entirely new meaning as Cammie and her friends go looking for answers, recognizing that the key to Cammie's future may lie deep in the past.

Ally Carter (www.allycarter.com) is the *New York Times* best-selling author of the first three books in the Gallagher Girls series, *I'd Tell You I Love You, But Then I'd Have to Kill You*; *Cross My Heart and Hope to Spy*; and *Don't Judge a Girl by Her Cover*—as well as *Heist Society*, the first in a brand new series. She lives in Oklahoma.

The Generation Dead kids are back again, with new romances, new enemies, and of course, new zombies.

Passing Strange

By Daniel Waters

Karen DeSonne always passed as a normal teenager; with her friends, with her family, and at school. Passing cost her the love of her life. And now that Karen's dead, she's still passing—this time, as *alive*.

Meanwhile, Karen's dead friends have been fingered in a high-profile murder, causing a new round of antizombie regulations that have forced them into hiding. Karen soon learns that the "murder" was a hoax, staged by Pete Martinsburg and his bioist zealots. Obtaining enough evidence to expose the fraud and prove her friends' innocence means doing the unthinkable: becoming Pete's girlfriend. Karen's only hope is that the enemy never realizes who she really is—because the consequences would be worse than death.

A fast-paced middle-grade adventure set on Montana's Blackfeet Indian Reservation

Cover not final

Starfish: A Novel

By James Crowley

Lionel can barely remember the old days, before he and his sister Beatrice came to the boarding school on the Blackfeet Indian Reservation. His life is peaceful, as long as he obeys the priests and officers who control the reservation. So he can't understand why Beatrice provokes their anger at every turn: why she refuses to cut her hair and insists on honoring the Blackfeet traditions.

When the appearance of a frozen corpse triggers an irreversible chain of events, the siblings find themselves on a stolen horse fleeing for their lives. Somewhere in the mountains lies their grandfather's homestead—and the promise of freedom—if only they can survive long enough to find him. . . .

Both thought-provoking and suspenseful, this beautifully written novel takes readers on an unforgettable journey through the wilderness of Montana in the early 1900s.

James Crowley is a writer and filmmaker. He lives in Austin, Texas. *Starfish* is his first novel.

From *Starfish: A Novel*

"You think you're ready?" Beatrice asked, breaking the uneasy feeling that the immense border brought.

"I guess" was all Lionel could think to say.

"We may never be coming back, you know? We may never be allowed back," Beatrice added, and then dug in her heels, asking Ulysses to proceed.

The horse stepped forward, and with that step, completely alone and without permission or legal permit, the children rode through a gaping hole in the fence, leaving the reservation and all that they had ever known.

The epic finale in the beloved Mistmantle Chronicles

The Mistmantle Chronicles,
Book Five:
**Urchin and
the Rage Tide**

By M. I. McAllister
Pictures by Omar Rayyan

The animals of Mistmantle have enjoyed a long period of peace and prosperity since the violent Raven War. Their tranquility is disrupted when tidal waves threaten to destroy the island. Mossberry, a squirrel with delusions of grandeur, sees the impending disaster as an opportunity to rise to power . . . and his reckless decisions will put many citizens in harm's way. Urchin of the Riding Stars must stop Mossberry and usher

everyone to safety before it is too late. Along the way, the ultimate sacrifice must be made for the survival of all. Deeply moving and packed with adventure, this is a fitting conclusion to the beloved Mistmantle Chronicles.

M. I. McAllister (www.margaretmcallister.co.uk) is the author of all the books in The Mistmantle Chronicles. She lives with her family in England.

One dead homecoming queen + one clairvoyant Goth = a match made in heaven?

Cover not available

The Ghost and the Goth

By Stacey Kade

After a close encounter with a bus, Alona Dare goes from homecoming queen to Queen of the Dead. She's stuck as a ghost in the land of the living with no sign of a "big, bright light" to take her to a better place. To make matters worse, the only person who might be able to help her is Will Killian, a total loser.

More than anything, Will wishes he didn't have the rare ability to communicate with the dead, especially the former mean girl of Groundsboro High. He's not filling out any volunteer forms to help her cross to the other side, though it *would* bring him some welcome peace and quiet.

Can they get over their mutual distrust—and quasi attraction—to work together? Readers of this spirited paranormal comedy won't want this odd couple ever to part.

Stacey Kade (www.staceykade.com) is an award-winning corporate copywriter. *The Ghost and the Goth* is her first YA novel. You can find her on Facebook and Twitter as well as at her Web site. She lives in the Chicago suburbs.

From *The Ghost and the Goth*:

"Hey," I shouted, furious. Like Will Killian had the right to laugh at me! Even dead, I was more popular than him. He was total loser material, skin so pale he practically glowed and shaggy black hair that hung down in front of his creepy blue eyes. Seriously, they were so pale, they were almost white. And hello, he acted like such a freak, always wearing headphones and pulling the hood of his sweatshirt up, even inside the building. Rumor had it he'd even spent a summer in some mental hospital somewhere. There wasn't a tier of popularity low enough to signal where he belonged. And he was laughing at me?

Killian looked away quickly, hunching his shoulders in his sweatshirt and staring at the ground, his usual anti-social, psycho-in-training behavior.

Wait...wait. Something about that...

I frowned, even though I was pretty sure my mouth was gone, and my thoughts were getting fuzzy. If he was laughing at me, that could only mean that he could see me. And that meant...

Artemis Fowl: The Atlantis Complex

By Eoin Colfer

In this seventh adventure in the blockbuster series, an army of fairy space probes have returned to Earth reprogrammed to destroy Atlantis—and only Artemis Fowl can stop them. As he races to save the subaquatic city, the young mastermind must also combat an onslaught of obsessive-compulsive and delusional disorders, both byproducts of prodigious intellect and immense stress at an early age.

In his signature pairing of suspense and comedy, Eoin Colfer has woven another masterpiece sure to delight fans of the series and draw in a host of new followers.

Eoin Colfer (eoincolfer.com) is the *New York Times* best-selling author of the Artemis Fowl series, *Airman*; *Half Moon Investigations*; *The Supernaturalist*; *Eoin Colfer's Legend of . . .* books; *The Wish List*; *Benny and Omar*; and *Benny and Babe*. He lives in Ireland with his wife and two children.

Praise for the Artemis Fowl series:

The Time Paradox

"The author once again offers an exhilarating ride through the fantastical world of Artemis Fowl." —*School Library Journal*

The Lost Colony

"Fast-paced, funny, and wholly enjoyable, the book is an action-packed thrill ride." —*VOYA*

The Opal Deception

"This book is magical." —*The Washington Post*

The Eternity Code

★ "Agile prose, rapid-fire dialogue and wise-acre humor ensure that readers will burn the midnight oil to the finish." —*Publishers Weekly* (starred review)

The Arctic Incident

"The world that Colfer creates is as vivid and fantastical as any shire, Gotham, or galaxy far, far away in recent memory." —*Entertainment Weekly* (A- review)

Artemis Fowl

"Will grab your interest, no matter what your age." —*The New York Post*

Clementine, Friend of the Week

By Sara Pennypacker
Pictures by Marla Frazee

Clementine has been picked for Friend of the Week, which means she gets to be line leader, collect the milk money, and feed the fish. Even better, she'll get a Friend of the Week booklet in which all the other third grade kids will write why they like her. Clementine's best friend, Margaret, has all sorts of crazy ideas for how Clementine can prove to the class she is a friend. Clementine *has* to get a great booklet, so she does what Margaret says. What begins as one of the best weeks ever may turn out to be the worst. Who knew that being a friend could be so hard?

Sara Pennypacker (www.sarapennypacker.com) is the author of three previous Clementine books and *Sparrow Girl*, illustrated by Yoko Tanaka. She divides her time between Cambridge and Cape Cod, Massachusetts.

Marla Frazee (www.marlafrazee.com) is the author/illustrator of several books, including *A Couple of Boys Have the Best Week Ever*, for which she was awarded a Caldecott Honor. She lives in Pasadena, California, where she works in a small backyard cabin under an avocado tree.

Praise for *Clementine*:

★ "Humorous scenarios tumble together, blending picturesque dialogue with a fresh perspective as only the unique Clementine can offer. Frazee's engaging pen-and-ink drawings capture the energy and fresh-faced expressions of the irrepressible heroine. A delightful addition to any beginning chapter-book collection."
—*School Library Journal* (starred review)

"Reminiscent of both Ramona and Junie B. Jones, Clementine is an ingenuous third-grader with a talent for trouble and a good heart. Frazee's expressive ink drawings capture every nuance of the characters' emotions, from bemusement to anger to dejection. Sometimes touching and frequently amusing, this engaging chapter book is well suited to reading alone or reading aloud to a roomful of children." —*Booklist*

For *The Talented Clementine*:

"Recommenders hoping to turn indifferent readers into voracious ones often reach first for solid, funny chapter-book series; this follow-up to *Clementine* proves that Pennypacker's deserves a place alongside those by Johanna Hurwitz, Beverly Cleary, and Megan MacDonald. Frazee's polished, warm-spirited line drawings, not all seen, capture the endearing idiosyncrasies of its heroine, who will equally charm returning readers and those meeting her for the first time." —*Booklist*

For *Clementine's Letter*:

★ "[S]he shines with a vibrant spirit that can never be completely extinguished, even when she is feeling down. Frazee's pen-and-ink drawings perfectly capture Clementine's personality and her world." —*School Library Journal* (starred review)

Delcroix Academy, Book One:
The Candidates

By Inara Scott

Dancia Lewis has a secret: whenever she sees a person threaten someone she cares about, things just . . . *happen*. Cars skid. Structures collapse. Usually someone gets hurt. So Dancia does all she can to avoid getting close to anyone, hoping to suppress her powers and stay under the radar. But when recruiters from the prestigious Delcroix Academy offer her a scholarship, she reluctantly accepts. After all, it's a school for diplomats' kids and prodigies, not B students with uncontrollable telekinetic tendencies. Or is it?

This captivating debut, the first in a series, puts a paranormal twist on private school.

Inara Scott lives in Seattle, Washington, with her husband and children. She is currently hard at work on the next book in the Delcroix Academy series.

From *The Candidates*

Jack's hands were in his lap, his knuckles white. When I looked up, I saw his throat moving as he swallowed. He craned his neck around to look at the road behind us.

"They must be serious about the whole security thing," I offered.

"Security?" Jack asked.

"You know, protect the students and visitors." I gestured toward the rest of the bus. "Keep the bad guys out?"

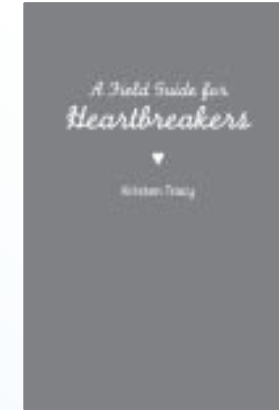

"Keep the bad guys out, or us in?"

Percy Jackson & the Olympians: The Last Olympian

By Rick Riordan

All year the half-bloods have been preparing for battle against the Titans, knowing the odds are against them. Kronos is stronger than ever, and with every god and half-blood he recruits, his power only grows.

While the Olympians struggle to contain the rampaging monster Typhon, Kronos begins his advance on New York City, where Mount Olympus stands unguarded. Now it's up to Percy Jackson and an army of demigods to stop the Lord of Time.

In this momentous final book in the *New York Times* best-selling series, the prophecy surrounding Percy's sixteenth birthday unfolds. And as the battle for Western civilization rages on the streets of Manhattan, Percy faces a terrifying suspicion that he may be fighting against his own fate.

Rick Riordan is the author of the previous books in the *New York Times* #1 best-selling Percy Jackson & the Olympians series: *The Lightning Thief*; *The Sea of Monsters*; *The Titan's Curse*; and *The Battle of the Labyrinth*. His previous novels for adults include the hugely popular Tres Navarre series, winner of the top three awards in the mystery genre. He lives in San Antonio, Texas, with his wife and two sons.

Praise for *The Last Olympian*:

"The clash of modern and classical worlds is both exciting and entertaining."
—*The New York Times Book Review*

★ "Riordan masterfully orchestrates the huge cast of characters and manages a coherent, powerful tale at once exciting, philosophical and tear-jerking. The best-selling series's legions of fans will cheer their heroes on and rejoice in such a compelling conclusion to the saga." —*Kirkus Reviews* (starred review)

★ "The novel's winning combination of high-voltage adventure and crackling wit is balanced with scenes in which human needs, fears, and ethical choices take center stage." —*Booklist* (starred review)

close to losing her friends . . . and her mind! Will she learn to trust her *amigas* and rock the party?

From *Amigas: Fifteen Candles*:

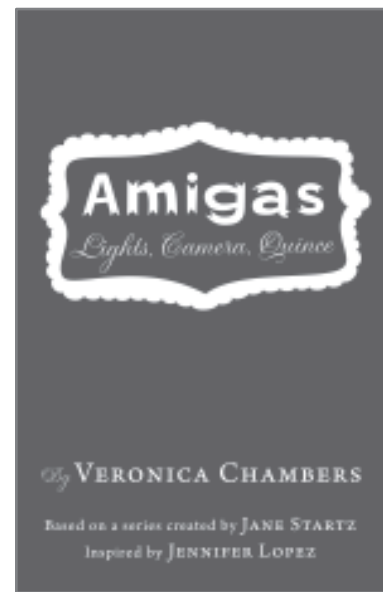

Alicia stayed up until two in the morning reading the message boards. By the time she went to sleep, she knew what she had to do. She was going to do more than just help Sarita pick a space for her quince. She and her girls, along with Gaz—and her brother Alex, if she could convince him—were going to take quinceañeras in Miami to a whole new level. She was going to start Amigas Incorporated, and it was going to be the hottest party-planning business in town.

Amigas
Fifteen Candles

By Veronica Chambers

Summer has arrived in Miami, and that means *quinceañera* season. With an internship at the mayor's office, Alicia isn't giving much thought to anything but work. But after meeting Sarita on the first day of the job, Alicia ends up volunteering to help organize her co-worker's *quince*. She also volunteers her friends.

Soon Alicia is drowning in preparation and turning into a *quincezilla*—and it isn't even her party! But there is just so much to do—shoes to be bought, dances to choreograph, and then there is Gaz. He is being flirtier than usual with Alicia, and she's not sure what to do. It seems like Alicia is dangerously

Lights, Camera, Quince!

By Veronica Chambers

Amigas is officially open for business! Alicia, Jamie, Carmen, and Gaz managed to throw an amazing *quince* for their new friend Sarita. But now Carmen is turning fifteen, and the rest of the friends are determined to throw her the best party ever. But in Miami, the heat is always on—and so is the drama. . . .

The drama goes into full effect when the group is asked to take part in a reality show featuring *quinceañeras* parties. But being in the spotlight brings out the true colors of the group; and before anyone can cry "action!" Alicia is fighting with Gaz, Carmen is worrying about her vows, and Jamie is

Science Fair

By Dave Barry and Ridley Pearson

Grdankl the Strong, president of Krpshtskan, is plotting to take over the American government. His plan is to infiltrate the science fair at Hubble Middle School, located in a Maryland suburb just outside Washington. The rich kids at Hubble cheat by buying their projects every year, and Grdankl's cronies should have no problem selling them his government-corrupting software. But this year, Toby Harbinger, a regular kid with Discount Warehouse shoes, is determined to win the \$5,000 prize—even if he has to go up against terrorists to do it. With the help of his best friends, Tamara and Micah, Toby takes on Assistant Principal Paul Parmit, aka “The Armpit,” a laser-eyed stuffed owl, and two eBay buyers

named Darth and the Wookiee, who seem to think that the Harrison Ford–signed BlasTech DL-44 blaster Toby sold them is counterfeit. What transpires is a hilarious adventure filled with mystery, suspense, and levitating frogs.

Dave Barry is the Pulitzer Prize–winning author of more than a dozen books, including *Dave Barry's History of the Millennium (So Far)*; *The Shepherd, the Angel, and Walter the Christmas Miracle Dog*; *Dave Barry's Money Secrets*; and *Big Trouble*. With Ridley Pearson, he is coauthor of *Peter and the Starcatchers*; *Peter and the Shadow Thieves*; *Peter and the Secret of Rundoon*; *Peter and the Sword of Mercy*; *Escape from the Carnivale*; *Cave of the Dark Wind*; and *Blood Tide*.

Ridley Pearson, in addition to coauthoring the Peter and the Starcatchers series with Dave Barry, is the award-winning author of *Kingdom Keepers: Disney After Dark*; *Kingdom Keepers II: Disney at Dawn*; *Kingdom Keepers III: Disney in Shadow*; *Steel Trapp: The Challenge* and *Steel Trapp: The Academy*. He has also written more than twenty best-selling crime novels, including *Killer View* and *Killer Weekend*. The thrilling third installment of the *New York Times* best-selling Gallagher Girls series

Don't Judge a Girl by Her Cover

By Ally Carter

When Cammie Morgan visits her roommate Macey in Boston, she thinks she's in for an exciting end to her summer. After all, she's there to watch Macey's father accept the nomination for vice president. But when you go to the world's best school (for spies), “exciting” and “deadly” are never far apart. The girls find themselves trapped in a kidnappers' plot, with only their espionage skills to save them.

As her junior year begins, Cammie can't shake the memory of what happened in Boston. Even the Gallagher Academy feels different now; secrets and old flames seem to lurk around every corner.

Soon Cammie is joining Bex and Liz as Macey's private security team on the campaign trail. The girls must use their spy training at every turn as the stakes are raised, and Cammie gets closer and closer to the shocking truth....

Ally Carter (www.allycarter.com) is the *New York Times* best-selling author of the first four books in the Gallagher Girls series—*I'd Tell You I Love You, But Then I'd Have to Kill You*; *Cross My Heart and Hope to Spy*; *Don't Judge a Girl by Her Cover* and *Only the Good Spy Young*—as well as *Heist Society*, the first in a brand new series. She lives in Oklahoma.

Praise for the Gallagher Girls series:

Don't Judge a Girl by Her Cover:

★ “The joy of reading the newest Gallagher Girl adventure is offset only by another mysterious, cliffhanger ending.” —VOYA (starred review)

Cross My Heart and Hope to Spy:

“While this second book in the series stands alone, prepare for listeners to demand the first volume.” —*School Library Journal*

“It is difficult to imagine what teen girl would not want to read—and reread—this second book in a butt-kicking series.” —VOYA

I'd Tell You I Love You, But Then I'd Have to Kill You:

“Readers will eagerly anticipate the next installment.” —*Publishers Weekly*

Carter Finally Gets It

By Brent Crawford

Join Will Carter for his freshman year, when he'll search for sex, love, and acceptance anywhere he can find it. In the process, he'll almost kill a trombone player, face off with his nemesis, get caught up in a messy love triangle, suffer blood loss, narrowly escape death, run from the cops (not once, but twice), meet his match in the form of a curvy drill teamer, and surprise everyone, including himself.

Brent Crawford (www.brent-crawford.com) is the author of *Carter Finally Gets It* and *Carter's Big Break*. He has worked in theater, film, TV, and commercials and has written numerous plays and screenplays. He lives in Kansas City, Kansas.

Praise for *Carter Finally Gets It*:

"Occasionally poignant and frequently hilarious." —*Booklist*

★ "[A] true-to-life, edgy, and often hilarious debut novel. Teenage guys will totally get this." —*Publishers Weekly* (starred review)

"Carter is the quintessential teenage boy. . . . This [is] an instructive as well as entertaining choice for readers of both genders."

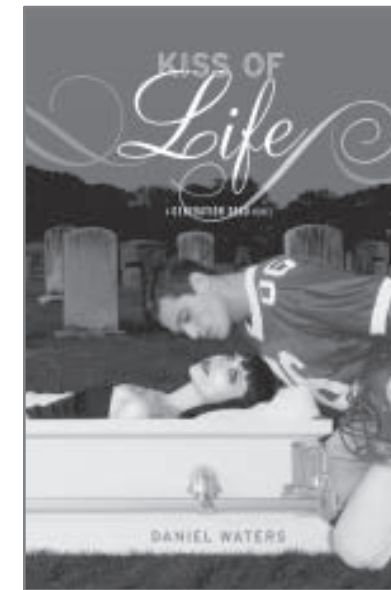

—*The Bulletin of the Center for Children's Books*

"An absolute delight. I can't remember the last time I laughed so much. Crawford's wit is unsurpassable." —*The Not So Closet Geeks*

Rise up for the second paperback in a groundbreaking series!

Kiss of Life

By Daniel Waters

The phenomenon that's been sweeping the country seems to be here to stay. Not only are the teenagers who have come back from their graves still here, but newlydeads are being unearthed all the time. While scientists look for answers and politicians take their stands, the undead population of Oakville has banded together in a group they're calling the Sons of Romero, hoping to find solidarity in segregation.

Phoebe Kendall may be alive, but she feels just as lost and alone as her dead friends. Just when she reconciled herself to having feelings for a zombie—her Homecoming date Tommy—her friend Adam is murdered taking a bullet that was meant for *her*. Things get even more confusing

when Adam comes back from the grave. Now she has romantic interest in two dead boys; one who saved her life, and one she can't seem to live without.

Daniel Waters (www.danielwaters.com) is the author of *Generation Dead*.

He lives with his family in Connecticut. For more information about the series, visit www.mysocalledundeath.com.

Praise for *Generation Dead*:

"Witty and well written." —*The New York Times*

★ "Stephenie Meyer meets John Green in debut author Waters's wry, original supernatural romance. . . ." —*Kirkus Reviews* (starred review)

"Waters's strong first novel introduces a cast of memorable characters—both dead and alive." —*Publishers Weekly*

The explosive first book in the Young Bond series . . . now a graphic novel!

SilverFin: The Graphic Novel

By Charlie Higson & Kev Walker

Since 2005, readers have traveled the world with a young man whose inquisitive mind, determination, and thirst for adventure would set him on a course for greatness. Now see Young Bond in action for the very first time.

There's something slithering in the dark waters around a Scottish castle. Something that must be kept secret. Something deadly.

One man with a thirst for power will use it, whatever the cost.

One boy stands in the way.

His name is Bond. James Bond.

Charlie Higson is an acclaimed comedy writer, producer, actor, and genuine Bond aficionado. He is the author of the adult thrillers *Full Whack* and *King of the Ants*, as well as the internationally best-selling Young Bond series: *SilverFin*, *Blood Fever*; *Double or Die*; *Hurricane Gold*; and *By Royal Command*. He lives in London.

Kev Walker has been illustrating Young Bond since its debut in 2005. Additionally, he has worked for Games Workshop, DC Comics, Marvel Comics, and Dark Horse. He resides in London.

Tweet Heart

By Elizabeth Rudnick

Claire is a boy-shy Twitter newbie. Her BFF Lottie is a practiced flirt. Will has a mind-numbing crush. Bennett just wants to make fun of them all on his blog.

In the sometimes anonymous world of Twitter, it's easy to reinvent yourself. Easy to pretend you're someone you're not. And very easy to flirt. But flirting can lead to crushing. And things get complicated when you're crushing on someone who's not who they seem to be. . . .

In the vein of Lauren Myracle's best sellers *TTYL* and *TTFN*, and told in an innovative format combining tweets, emails, and blogs, *Tweet Heart* is a romantic comedy that will set your heart atwitter.

Elizabeth Rudnick is a debut novelist and also an editor. She lives in Connecticut with her dog, Jack Dyson. You can follow her on twitter at lizrudnick.

From *Tweet Heart*

SlackerKing@WiseOne Claire is screaming for help. Seriously. Like she's literally screaming and it's giving me a headache. Please just send her a tweet.

WiseOne@SlackerKing You want me to make a new profile and send her one tweet... as Jack Dyson. That's it? Then I go on my merry way and she goes on hers?

WiseOne@SlackerKing Thinking the whole time that her forever-crush, the love of her life, actually talked to her?

SlackerKing@WiseOne See? Simple. You totally got it.

SlackerKing@WiseOne She will be happy. You will be happy. And I won't have to listen to you two complain. Win-win. And win.

WiseOne@SlackerKing You really think it will make Claire smile?

SlackerKing@WiseOne Is Star Wars a masterpiece?

WiseOne@SlackerKing Right. OK...here goes nothing.

SlackerKing@WiseOne I can hear your heart pounding from over here. Get a grip. It's just Claire.

WiseOne@SlackerKing It's never, ever, just Claire.

Tales from the Odyssey

By Mary Pope Osborne

Brave Odysseus is far from home, tossed by stormy seas, and cursed by an angry one-eyed giant. If he ever wants to see his family again, he will have to face hungry cannibals, outwit a beautiful witch, and sail past a six-headed serpent. And when he finally does return home, he will have yet more dangerous enemies to face. His journey is the ultimate test of endurance and courage.

In this exciting series, best-selling author Mary Pope Osborne retells Homer's *Odyssey*, one of the most thrilling adventure stories of all time.

Part 1 includes:

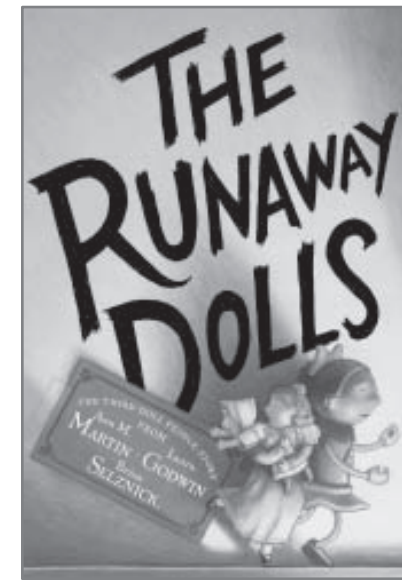

Book One: *The One-Eyed Giant*
Book Two: *The Land of the Dead*
Book Three: *Sirens and Sea Monsters*

Part 2 includes:

Book Four: *The Gray-Eyed Goddess*
Book Five: *Return to Ithaca*

Mary Pope Osborne (www.marypopeosborne.com) is the author of the best-selling series The Magic Tree House. She has also written many acclaimed retellings of myths and folktales and works of historical fiction.

Book Three in the enchanting Doll People series, now in paperback

The Runaway Dolls

By Ann M. Martin and Laura Godwin
Illustrated by Brian Selznick

Best friends Annabelle Doll and Tiffany Funcraft have stumbled upon an unexpected visitor, a new doll named Tilly May. She's arrived in a mysterious package . . . but she looks so familiar. Could she be Annabelle's long-lost baby sister? It'll take a runaway adventure to find out for sure. Are the dolls ready for life on the road?

Ann M. Martin is the author of many books for young readers, including *Belle Teale*, *A Dog's Life*, and *A Corner of the Universe*, a 2003 Newbery Honor Book. She is also the co-author, with Paula Danziger, of *P.S. Longer Letter Later* and *Snail Mail No More*. Ms. Martin makes her home in upstate New York.

Laura Godwin, also known as Nola Buck, is the author of many popular picture books for children, including *What the Baby Hears*, *Central Park Serenade*, *Barnyard Prayers*, *The Flower Girl*, *Little White Dog*, and *Christmas in the Manger*. Born and raised in Alberta, Canada, she now lives in New York City.

Brian Selznick is the author and illustrator of the *New York Times* number one best-selling *The Invention of Hugo Cabret*, which won the 2008 Caldecott Medal and was nominated for a National Book Award. He has also illustrated many other books for children, including *Frindle* by Andrew Clements, *Amelia and Eleanor Go for a Ride* by Pam Muñoz Ryan, and *The Dinosaurs of Waterhouse Hawkins* by Barbara Kerley, which received a 2002 Caldecott Honor. Brian lives in Brooklyn, New York, and San Diego, California.

Praise for The Runaway Dolls:

"Many pleasures await young readers (and their parents) in *The Runaway Dolls*, not least of which is the expected delight of Selznick's humorous illustrations."

—*The New York Times*

★ "The lush illustrations—full bleeds as well as spot drawings and vignettes throughout—are integral expressions of the novel's spirit. Fast-paced, satisfyingly developed, the book is doubly enjoyable for its foundation in a solidly imagined doll culture." —*Publishers Weekly* (starred review)

★ "Fans of the first two Doll People stories will be thrilled with number three." —*Kirkus Reviews* (starred review)

An irresistible summer romance

Cover not available

Girlfriend Material

By **Melissa Kantor**

Kate's not the type to lose it over a guy. So she's appalled by her mom's summer plan: to drag Kate along to Cape Cod, in a ploy to make Kate's dad jealous. But just when Kate's resigned herself to months of stoic solitude at the country club, a cute, witty boy named Adam starts drawing her out, and seems *intrigued*. Suddenly Kate can't help but wonder what it would be like if a guy lost it over *her*. . . .

When her breezy romance quickly grows more complicated, can Kate keep pretending Adam is just a carefree fling? Or will she risk telling him her real feelings? Now Kate is asking herself a question she never thought she'd stoop to: is she girlfriend material?

Melissa Kantor (www.melissakantor.com) is the author of the best-selling *Confessions of a Not It Girl*, a *Booklist* Best Romance Novel for Youth in 2004; *If I Have a Wicked Stepmother, Where's My Prince?*, a YALSA Teens Top Ten Pick in 2006; *The Breakup Bible*, a YALSA Best Books for Young Adults nominee in 2007; and *Girlfriend Material*. Melissa is a teacher in Brooklyn, New York, where she lives with her husband, the poet Benjamin Gantcher, and their three children.

Praise for *Girlfriend Material*:

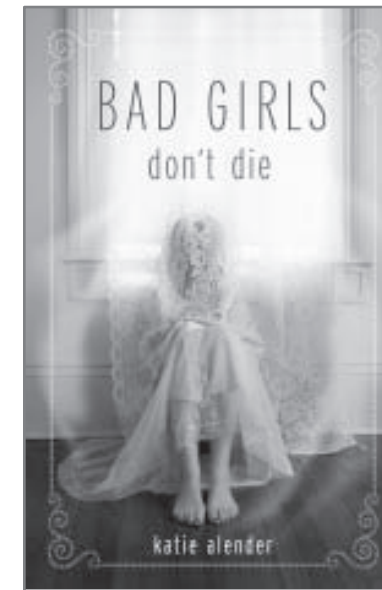

"Realistic dialogue and a quick pace keep the story lively." —*Kirkus Reviews*

A "leave all the lights on" thriller

Bad Girls Don't Die

By **Katie Alender**

When Alexis's little sister Kasey becomes obsessed with an antique doll, Alexis thinks she is just being her usual weird self. Things get weirder, though, when their house starts changing. Doors open and close by themselves; water boils on the unlit stove; and an unplugged air conditioner blasts cold air. Kasey is changing, too. Her blue eyes go green, she starts using old-fashioned language, and she forgets chunks of time. Most disturbing of all is the dangerous new chip on Kasey's shoulder. The formerly gentle child is gone, and the new Kasey is *angry*. Alexis is the only one who can stop her sister—but what if that green-eyed girl isn't even Kasey anymore?

Katie Alender (www.katiealender.com) is a graduate of the Florida State University Film School and lives in Los Angeles, where she works as a producer/writer. *Bad Girls Don't Die* is her first novel.

Praise for *Bad Girls Don't Die*:

Jonathan Stroud's highly acclaimed adventure novel in paperback

Cover not final

Heroes of the Valley

By Jonathan Stroud

Halli Sveinsson has grown up in the House of Svein, hearing the legends of the heroes as all his forefathers did. There is a peaceful society, where the violence of the past has been outlawed and the Council settles disputes.

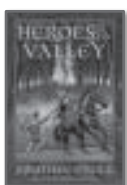

But young Halli has never quite seemed to fit in with the others. For starters, he is neither handsome nor tall, like his siblings. He's stumpy and swarthy, with a quick mind and aptitude for getting in trouble. Bored with the everyday chores and shepherding, he can't help himself from playing practical jokes on everyone. But when he plays a trick on Ragnar of the House of Hakons, he goes too far, setting in motion a chain of events that will forever alter his destiny. Because of it, Halli will have to leave home and go on a hero's quest. In the end, he will discover the truth about the legends, his family, and himself.

Jonathan Stroud is the author of the *New York Times* best-selling Bartimaeus trilogy, as well as *The Leap*, *The Last Siege*, and *Buried Fire*. He lives in England with his family.

Praise for *Heroes of the Valley*:

- ★ "Witty and cinematic storytelling propels Stroud's engrossing novel, set in a medieval world that recalls Norse epics." —*Publishers Weekly* (starred review)
- ★ "[Stroud] keeps readers guessing—about plot turns, character revelations, and the novel's philosophical implications—through many a deftly choreographed conflict." —*Horn Book Magazine* (starred review)
- ★ "Fans of his 'Bartimaeus' trilogy . . . will devour this book whole." —*School Library Journal* (starred review)
- ★ "Stroud earns each and every gasp and cheer he'll garner from this very different sort of fantasy. Funny, exciting, thoughtful, and, most of all, timeless in the way of all tales worth spinning again and again." —*Booklist* (starred review)

"As hilarious as it was romantic."—Meg Cabot

Psych Major Syndrome

By Alicia Thompson

Leigh Nolan has just started her first year at college as a psychology major. She's always excelled at helping her friends with their problems, but when it comes to solving her own . . . not so much. Leigh has a tendency to overanalyze things, particularly when the opposite sex is involved. Like, why doesn't Andrew, her boyfriend, ever invite her to spend the night? Why does his roommate Nathan dislike her so much? More importantly, why did Nathan have a starring role in her much-more-than-friendly dream?

Fresh, witty, and romantic, *Psych Major Syndrome* is an exciting debut from author Alicia Thompson.

Alicia Thompson (www.alicia-thompson.com) graduated from New College of Florida in 2006 with a degree in psychology, and wrote this debut novel in between pulling all-nighters on her senior thesis. She lives in Riverview, Florida.

Praise for *Psych Major Syndrome*:

- "You won't be able to put this book down. I didn't want it to end!" —Meg Cabot, internationally best-selling author of *The Princess Diaries* and *Airhead*
- "A classic romantic-comedy formula feels fresh thanks to Leigh's witty, semi-slacker narration, adorably kooky persona, and background." —*Kirkus Reviews*

The fourth book in the *New York Times* best-selling series

The Van Alen Legacy
A Blue Bloods Novel

By Melissa de la Cruz

With the stunning revelation surrounding Bliss's true identity comes the growing threat of the sinister Silver Bloods. Once left to live the glamorous life in New York City, the Blue Bloods now find themselves in an epic battle for survival. Not to worry; love is still in the air for the young vampires of the Upper East Side. Or is it? Schuyler has made her choice. She has forsaken Jack for Oliver, choosing human over vampire. But old love dies hard. . . . And even coldhearted Mimi seems to suffer from the ties that bind.

Young vampires unite in this highly anticipated fourth installment of the *New York Times* best-selling series.

Melissa de la Cruz is the author of many best-selling novels, including the first three books in the Blue Bloods series: *Blue Bloods*, *Masquerade*, and *Revelations*; the Au Pairs series; the Ashleys series; and *Angels on Sunset Boulevard*. She lives in Los Angeles with her husband and daughter, and is hard at work on the next book in the Blue Bloods saga. While Melissa is not a Blue Blood, she knows people who are. . . .

Praise for *Blue Bloods*:

★ “De la Cruz introduces a conception of vampires far different from traditional stake-fleeing demons, coupling sly humor with the gauzier trappings of being fanged and fabulous.” —*Booklist* (starred review)

“The intriguing plot will keep teens reading.” —*School Library Journal*

“A juicy voyeuristic peek into the lives of rich Manhattanites—who happen to be vampires.” —*Kirkus Reviews*

Praise for *Masquerade*:

“A tasty and alluring sequel for the vampire-sex-and-fashion set.” —*Kirkus Reviews*

The thrilling first installment in a new fantasy trilogy from a *New York Times* best-selling author

The Demon King

By Cinda Williams Chima

Reformed streetlord Han Alister and the princess heir of the Fells, Raisa ana'Marianna, might live in the same city, but they come from different worlds. While Han tries to survive on the straight, Raisa struggles with the troubles that come with being a princess—especially since she'll be eligible for marriage after her sixteenth nameday.

Han's life changes forever when he takes a powerful amulet from the son of the High Wizard. The amulet once belonged to the Demon King, who nearly destroyed the world a millennium ago. With a magical piece so powerful at stake, the Bayars will stop at nothing to reclaim it from Han.

Meanwhile, Raisa has her own battles to fight.

She wants to be like Hanalea, the legendary warrior queen who killed the Demon King and saved the world. But it seems that her mother has other plans for her—plans that include a suitor who goes against everything the Queendom stands for.

The Seven Realms will tremble when the lives of Han and Raisa collide in this stunning new page-turner from best-selling author Cinda Williams Chima.

Cinda Williams Chima (www.cindachima.com) is the *New York Times* best-selling author of *The Warrior Heir*, *The Wizard Heir*, and *The Dragon Heir*. She lives in Ohio.

Praise for *The Demon King*:

“A virtually flawless tale, this book will leave readers anxiously awaiting the next novel in The Seven Realms.” —*VOYA* (starred review)

“Few readers will mind reaching the end with the protagonists still separated by hundreds of miles only to realize it was naught but prelude to the real action; instead, they will clamor for the sequel.” —*Kirkus Reviews*

“An auspicious start to the planned Seven Realms trilogy.” —*Publishers Weekly*

Bold new looks for three of Ben Mikaelson's most popular and beloved stories

By Ben Mikaelson

Ben Mikaelson fills his stories with honest emotions, fascinating and accurate details, true-to-life characters, and pitch-perfect pacing. Now, three of his best-selling books receive new and exciting covers to attract even more readers.

Sparrow Hawk Red

Ricky Diaz looks to avenge his mother's death once he discovers it was at the hands of drug smugglers.

Praise for *Sparrow Hawk Red*:

★ "Readers who require a fast-paced plot with lots of action, tension, and danger will find everything they want in Mikaelson's latest novel. . . . A dynamite story."
— *Booklist* (starred review)

- A California Young Readers Medal Winner

Stranded

Koby's life changes after she bravely rescues two pilot whales and gains the attention of her town.

Praise for *Stranded*:

★ "Strong, well-developed characters, an interesting plot . . . and an exotic setting so clearly described that readers will feel they have been there to visit."
— *Booklist* (starred review)

Petey

An unlikely friendship blooms between a young teen and an elderly man with cerebral palsy.

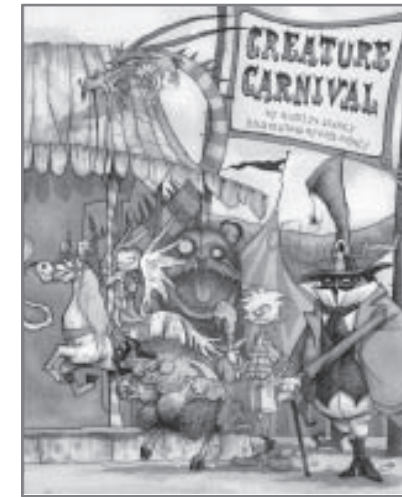

Praise for *Petey*:

★ "[Petey's] messages—that all people deserve respect; that one person can make a difference; that changing times require new attitudes—transcend simplistic labels. . . . Give it to anyone who needs a good book to read."
— *School Library Journal* (starred review)

• An ALA Best Book for Young Adults, 1999

Ben Mikaelson (www.benmikaelson.com) has written a number of award-winning and critically acclaimed novels, including *Rescue Josh McGuire*; *Stranded*; *Countdown*; *Touching Spirit Bear*; *Red Midnight*; *Tree Girl*; and *Ghost of Spirit Bear*. Ben lives in a log cabin near Bozeman, Montana.

THE SORCERER'S APPRENTICE

Magic is all around us . . .

**Movie releases
July 16, 2010!**

In modern-day Manhattan, one young man's life is about to take a surprising turn. When ten-year-old Dave Stutler wanders into a strange and mysterious shop downtown, his life takes an unimaginable twist. It turns out that Dave is no ordinary boy—he is a Merlinian. As a descendent of the most famous sorcerer in history, Dave has untapped powers. The problem is, certain people don't want him to ever use them.

Ten years later, still unaware of his powers, Dave is a college student more interested in science than science fiction. But that is all about to change. An evil sorcerer named Horvath has been released into the real world and he is out to destroy Dave and all the goodness he represents. Now Dave must embrace his role as the Sorcerer's Apprentice and rely on the help of his mentor, Balthazar Blake, to save the world.

Loosely inspired by the classic scene in *Fantasia*, *The Sorcerer's Apprentice* is an action-packed adventure brought to the big screen by hit filmmaker Jerry Bruckheimer and featuring an all-star cast that includes Nicolas Cage (*National Treasure I and 2*), Jay Baruchel (*Superbad*, *Knocked Up*), and Alfred Molina (*Prince of Persia*, *Spider-Man 2*).

The Sorcerer's Apprentice Junior Novel

The junior novel will be a 144-page retelling of *The Sorcerer's Apprentice*. Featuring an eight-page full-color photo insert filled with movie stills, this is sure to be a must for fans of the hit film!

For a limited time only...

Arcana Cabana Catalogue

Are you a collector of rare and historical flying carpets? Do you yearn for an urn? Desire a unicorn horn? Now you can have your heart's desire! The *Arcana Cabana Catalogue* takes you inside the doors of the magical store seen in the hit film *The Sorcerer's Apprentice*. Collected for the first time, the catalogue gives you the background information, price, and relevant stories of some of the most intriguing items in the store. For a mere \$34,750, you can own Cleopatra's Heart—but beware, it beats a bit stronger than you may think.

The Chronicles of Young Dastan

Volume 1: Crisis in Alamut

Volume 2: The Road to Sardis

This brand new series of all-new stories based on the blockbuster film from Walt Disney Pictures *Prince of Persia: The Sands of Time* is sure to entrance readers of all ages. The series tells the tale of young Dastan, a petty thief and street urchin. Dastan will one day become a prince of Persia, but for now his only goal is to survive the mean streets of the Persian city of Nasaf.

In volume one, *Crisis in Alamut*, Dastan arrives in the holy city of Alamut, where he is wanted for a number of heinous crimes he didn't commit. And in the next volume, *The Road to Sardis*, he must make a journey across the Empire in order to save an old friend, but encounters danger every step of the way and finds himself in an unbeatable race against time.

The books can be read as stand-alone tales, but cliffhangers and subplots will be sprinkled throughout, making this an exciting serialized adventure.

Fairies and the Quest for Never Land

Gwendolyn Carlisle loves fairies, perhaps too much. On her birthday, she receives the precious "kiss" necklace which has been passed down from mother to daughter ever since Peter Pan gave it to Wendy Darling. That night, Gwendolyn has the first of her visions—tantalizing, lifelike visions, almost as if she were actually in Fairy Haven. She sees animal-talent fairy Beck give a pie to wise Mother Dove and hears the voices of water-talent Rani and even Tinker Bell herself.

More than anything, Gwendolyn wishes she could be there. When she is just about to lose hope, Peter Pan comes at last and blows fairy dust on her. The instant they reach Never Land, she sets out to find fairies. But the fairies are not eager to meet her.

Then the evil Kyto, a dragon the fairies once helped to capture, escapes. He intends to destroy Never Land, starting with Fairy Haven. The fairies have but one choice: they must stop Kyto. As they set out on their desperate quest—a quest that could be their very last—the fairies must decide if Gwendolyn can help or hinder. . . .

Infused with magic and feeling, and bursting with excitement, this thrilling tale is the third in the celebrated series of illustrated novels from Newbery Honor winning author Gail Carson Levine and renowned illustrator David Christiana.

Gail Carson Levine (gailcarsonlevine.blogspot.com) is the author of many acclaimed children's books, including the *New York Times* best sellers *Fairy Dust and the Quest for the Egg* and *Fairy Haven and the Quest for the Wand*; Newbery Honor Book *Ella Enchanted*; and *Writing Magic*. Gail lives with her husband, David, and their Airedale, Baxter, in a 220-year-old farmhouse in New York's Hudson Valley.

David Christiana has illustrated more than twenty picture books for children, four of which he also wrote. He lives in Tucson, Arizona, and teaches illustration at the University of Arizona.

There's something magical happening in New York City...

The Russos look like an average family: Mom and Dad run a Manhattan restaurant, while their kids, Alex, Justin, and Max, deal with school, friendships, and first dates. But things are not exactly as they seem because these kids are all wizards-in-training! To make things more complicated, only one of them will remain a wizard after the age of eighteen. Talk about sibling rivalry! Full of the magic, comedy, and fun that you've come to expect from Disney Channel, this series has become a fan favorite!

Book #10

School's Out!

When Wiz Tech, the school for wizards, is suddenly shut down for a few days, the Russos help out by hosting a student named Ronald. But soon Alex's older brother, Justin, discovers that Ronald has kidnapped Dean, Alex's boyfriend, and is holding him hostage! And that's not all—Ronald is also planning to steal Alex's magical abilities in order to restore his family's own powers, and he wants to turn Wiz Tech into a school for evil wizards! Will Alex and her brothers be able to save not only Dean, but Wiz Tech, too? Or will the school be stuck on the dark side forever?

THE SORCERER'S APPRENTICE

The Answer Is Yes: The Art and Making of The Sorcerer's Apprentice

By Michael Singer

It began, as so many great things do, with something quite small. In 1797, the German poet Goethe published a poem about magical transformation called "Der Zauberlehrling." Over time, bits and pieces were adapted and eventually found their way to Walt Disney, who took inspiration from the poem to create the masterpiece *Fantasia*.

Seventy years later, inspiration struck again, when actor Nicolas Cage and super producer Jerry Bruckheimer teamed up with Walt Disney Studios to bring new life to the story. Using one of the most memorable moments from *Fantasia*, they have created *The Sorcerer's Apprentice*.

Written by Michael Singer, the unit publicist on the film, *The Answer Is Yes* gives readers inside access to the filming, cast, crew, sets, and production. In pitch-perfect tone, he takes fans on a guided tour from the film's inception to its completion, with stops along the way at some of New York City's most recognizable landmarks. There is also in-depth narrative from the film's myriad of talent. From Bruckheimer's remarks on building up a classic to Jay Baruchel's take on being the perfect geek for the role to what went into all the amazing and groundbreaking effects, this is never-before-seen material that will be a must for fans old and new.

The slightly oversize landscape-trim format and stunning cover effects will also make this a unique and stunning addition to anyone's coffee table.

Michael Singer is a writer and production-unit publicist with more than thirty-five years of experience in his field. Singer's previous books include *Bring Me That Horizon: The Making of Pirates of the Caribbean*; *The Making of Oliver Stone's Heaven and Earth*; and "Making Of" books for *Batman Returns*; *Batman Forever*; and *Batman & Robin*; as well as *A Cut Above: 50 Film Directors Talk About Their Craft* and thirteen annual editions of the pre-Internet age reference book *Michael Singer's Film Directors: A Complete Guide*.

A profusely illustrated double biography of two great Disney animators

Two Guys Named Joe

Master Animation Storytellers
Joe Grant & Joe Ranft

By John Canemaker

One Joe was in his ninety-seventh year when he died in 2005; the other Joe died the same year at age forty-five. Both died before their time. This book explores the interplay between personal creativity and the craft of animation storytelling, as seen through the lives and art of two of its greatest practitioners: Joe Grant and Joe Ranft.

Grant and Ranft were unique influences on storytelling at two major studios during important periods in the history of animation. Joe Grant, in fact, straddled two eras. A gifted newspaper caricaturist, he contributed ideas for Mickey Mouse and Silly Symphony shorts as well as classic masterworks like *Snow White and the Seven Dwarfs*; *Pinocchio*; *Fantasia*; and *Dumbo*. As Walt Disney's confidant, Grant played a leading role in defining Disney's pioneering animation legacy. He returned to the studio at eighty-one after a forty-year hiatus, his creative spirit and abilities undiminished, and made significant contributions to *Beauty and the Beast*; *Aladdin*; *Mulan*; and *The Lion King*, among others.

Joe Ranft built on the traditions of the past forged by Grant and others to become the top animation storyboard artist of his generation, working on *Tim Burton's The Nightmare Before Christmas*; *The Brave Little Toaster*; *Who Framed Roger Rabbit*; *James and the Giant Peach*; *The Little Mermaid*; and *Beauty and the Beast*, among other films. As one of Pixar's creative founders and a close friend of John Lasseter's, Ranft had a major influence on the studio's signature originality, warmth, and irreverent humor, through his contributions to *Toy Story*; *Toy Story 2*; *A Bug's Life*; *Monsters, Inc.*; and *Cars*.

Grant and Ranft were inventive and imaginative, with keen insight into characters, and they inspired colleagues and entertained audiences around the world. Although their combined careers spanned the Golden Age of traditional animation that began in the 1930s at the Walt Disney Company and became the present digital age at Pixar Animation Studios, their extraordinary contributions remain largely unknown to the public.

John Canemaker is a professor and director of the film animation program at New York University's Tisch School of the Arts. In 2006, his film *The Moon and the Son: An Imagined Conversation* won the Academy Award for best animated short. He has written numerous books on animation, including *The Art and Flair of Mary Blair*; *Paper Dreams: The Art and Artists of Disney Storyboards*; *Before the Animation Begins: The Art and Lives of Disney Inspirational Sketch Artists*; and *Walt Disney's Nine Old Men and the Art of Animation*.

The Imagineering Field Guide to Disney's Hollywood Studios

By Alex Wright

The fifth in a series of pocket-size paperbacks answers the question “What would it be like to walk through Disney’s Hollywood Studios with an Imagineer by your side?” *The Imagineering Field Guide to Disney’s Hollywood Studios* provides that experience: pointing out details and telling stories, backstories, and Imagineering insights never before heard, condensed into a portable, easily referenced park guide. You’ll never spend time at the Studios the same way again.

Each spread contains fascinating textual information and related images (drawings, photos, graphics) such as:

- Layouts, backgrounds, and origins of each park/land/miniland
- Concept art to compare to the finished show
- Timeline information (opening dates, previous shows in the same venue, alterations, and updates)
- Photography of the details and pictures being discussed
- Special props, design sources, artistic inspirations, nomenclature gags

Alex Wright is a show designer for Walt Disney Imagineering in Orlando, Florida. His credits include concept and set-design work for Disney’s Animal Kingdom and Journey into Imagination with Figment, as well as various enhancement projects all over the Walt Disney World Resort. Alex received a B.A. in Design Theory from the University of Florida in Gainesville in 1992 and an M.F.A. in Scenic Design from the California Institute of the Arts near Los Angeles in 1994. He lives in Ocoee, Florida, with his wife, Kim; son, Finn; daughter, Lincoln; and two dogs, RocketDog and Edison.

Imagine that the Disney animators had passed one sketchbook around among themselves through the generations. . . .

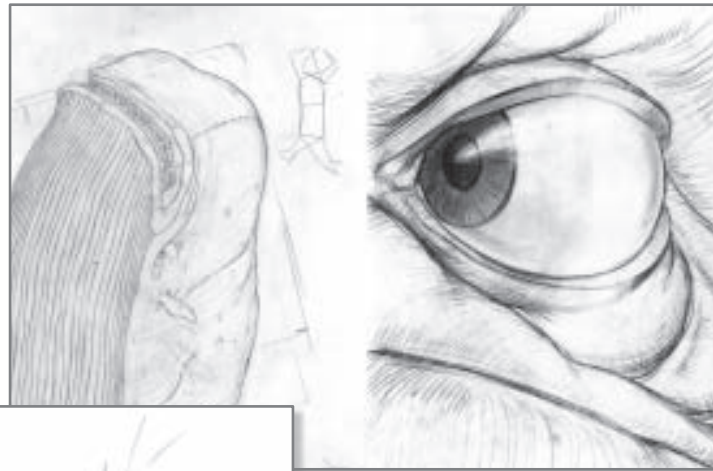

A Disney Sketchbook

By The Disney Animators

A Disney Sketchbook is a glorious, collectible coffee-table book showcasing the rich visual development art done by Disney animators over the more than eighty-year history of the Walt Disney Animation Studios (originally Disney Feature Animation). The sketchbook looks like something Disney's animation artists might have passed around to one another through the years, from the early beginnings of the Studios' work through the present day. Current artists have drawn their concepts alongside pictures of earlier characters that influenced their work. In brief but vivid text, contemporary Disney animators reflect on the

inspiration of the artists who preceded them, going back to the "first generation" of animators who created the Silly Symphonies and the early cartoons, and to the Golden Age of Disney animation (from *Snow White and the Seven Dwarfs* to *The Black Cauldron*) and its present renaissance (*The Little Mermaid* onward).

Imagination and engineering combine in this second volume about Imagineering magic!

Walt Disney Imagineering A Behind-the-Dreams Look at Making More Magic Real

The Imagineers

How can you make dreams come true? Or transform a fantasy into a colorful, exciting world that visitors can move through, touch, and enjoy? Such fabulous work is the daily business of Walt Disney's Imagineers, a core group of creative and highly skilled professional wizards who combine imagination with engineering to create the reality

of behind the dreams that comprise the Disney theme parks.

In this sequel to the best-selling *Walt Disney Imagineering: A Behind-the-Dreams Look at Making the Magic Real*, the Imagineers serve up another dose of magic with an even closer look at who they are, what they do, and how they do it, illuminating their theories and explaining the tools they use, and where and how they use them. Contained within this deluxe tome are rough drawings, conceptual models, and behind-the-scenes stories showcasing Disney's newest attractions and innovations from the inside out. There's also an exclusive peek inside the Research and Development Lab to see what new magic will soon be appearing.

The Imagineers tell their own stories, as well as how they got there, what they do on a daily basis, what they show their friends in the parks, and how you can learn what it takes to become an Imagineer.

Presented in a large, lavish format, this book is sure to be a must-have for every Disney collector.

First Book provides brand new books to children in need, addressing one of the most important factors affecting literacy – access to books.

CHILDREN'S
BOOK
WEEK

Disney • Hyperion Books is a member of the Children's Book Council (CBC), a nonprofit trade organization that encourages the use and enjoyment of books and related literacy for young people. Our books from the current and immediately preceding year are for examination at the CBC Library, 12 West 37th Street, New York, NY 10018. The library is open to the public from 9:30 a.m. to 4:30 p.m., Monday through Friday.
