WHAT IS A CLASSIC TRIP?
All the trips in this book show you the best of California, but we've chosen nine as our golden standard. These are our Classic Trips: the ones that are best to see the best of the state in eight, the top activities and the unique Californian experience. Turn the page for the map, and look out for the Classic Trip along throughout the book.

34 Palm Springs & Joshua Tree Oases

This trip around Palm Springs, Joshua Tree and Joshua Tree National Park will take you deep into the heart of southern California's deserts. You'll experience all the clichés of the desert – the barren landscapes, the energy-sapping heat – but you'll also hike into shady oases and cool off in deep canyons. And when you've had enough of the great outdoors, you can while away the hours

Indian Canyons

The US desert is a vast landscape of beauty and wonder. From the red rock canyons of the Southwest to the white sand dunes of the Pacific Coast, there's something for everyone. In this section, we'll take you to some of the most beautiful and unique desert landscapes in the country.

Indian Canyons
The Indian Canyons are a series of colorful sandstone canyons in the heart of the Colorado Plateau. The canyons are known for their vibrant red and orange colors, which are caused by the oxidation of iron in the sandstone. The canyons are a popular destination for hikers and photographers alike.

Desert Hot Springs
Desert hot springs are a unique natural resource found in the arid regions of the Southwest. These mineral-rich waters are known for their therapeutic properties and are a popular destination for those seeking relaxation and wellness.
