# From multi-award winning author, journalist, and PBS TV host **Steven Raichlen**

Claire Doheney, recovering from a serious illness, agrees to house-sit in an oceanfront mansion on Chappaquiddick island in Martha's Vineyard. The New York book editor hopes to find solace, strength, and sufficient calm to finish her biography of the iconoclastic psychotherapist, Wilhelm Reich.

The last thing she expects to find is love.

Then she meets a mysterious man the locals call the Hermit. No one knows his real name or where he lives. To their mutual surprise, Claire and the stranger discover that they share a passion for cooking that soon sparks something more.

But Claire's new friend has a terrible secret that threatens to drive them apart forever. The clock is ticking. Can Claire let love into her life once more before it's too late?

Told by a *New York Times* bestselling author and international TV host with a keen eye for Chappaquiddick's extraordinary natural beauty, *Island Apart* has it all—romance, history, travel, crime, lovemaking of exquisite intensity, and cooking scenes so vivid, they'll make your taste buds ache with hunger. Steven Raichlen's novel is a smart love story—not to mention a terrific beach read. Think *The Bridges of Madison County* with better food.

## Last Call for the Living

PETER FARRIS

**A ferociously authentic debut about a deadly bank heist and a young teller taken hostage for the ride of his life**

For bank teller Charlie Colquitt it was just another Saturday. For Hobe Hicklin, an ex-con with nothing to lose, it was just another score. For Hobe's drug-addled, sex-crazed girlfriend, it was just more lust, violence, and drugs. But in this gripping narrative, nothing is as it seems.

Hicklin's first mistake was double-crossing his partners in the Aryan Brotherhood. His second mistake was taking a hostage. But he and Charlie can hide out for only so long in the mountains of north Georgia before the sins of Hicklin's past catch up to them.

Hot on Hicklin's trail are a pair of ruthless Brotherhood soldiers, ready to burn a path of murder and mayhem to get their revenge. GBI Special Agent Sallie Crews and Sheriff Tommy Lang catch the case, themselves no strangers to the evil men are capable of. Soon Crews is making some dangerous connections, while for the hard-drinking, despondent Lang, rescuing Charlie Colquitt might be the key to personal salvation.

Precocious talent Peter Farris has written a backwoods fairy tale of fate and flight that is a dark, modern thriller. Like the bastard child of Stephen Hunter's *Dirty White Boys* and Cormac McCarthy's *No Country for Old Men*, *Last Call for the Living* is a smashing debut from a writer whose unique and disturbing vision of the world cannot be ignored.

**"*Last Call for the Living* is the greatest bank heist novel since *The Getaway* and *The Friends of Eddie Coyle*—perhaps the greatest ever. After all, how can Peter Farris miss? The meanest Aryan Brothers ever are ripping off banks and then looking for payback. Awash in sex, alcohol, violence and revenge, *Last Call for the Living* is a wild, rocketing roller-coaster of a ride. Farris's writing is reminiscent of Stephen Hunter and Cormac McCarthy at their brutal best."**

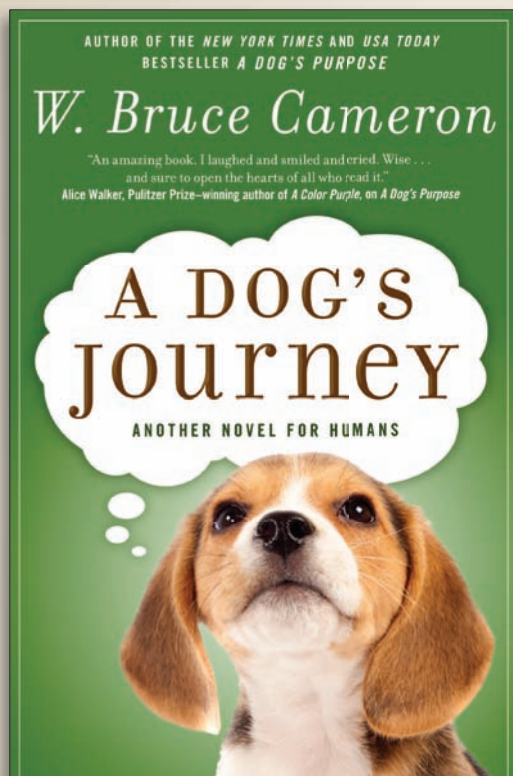

—DOUGLAS PRESTON, *NEW YORK TIMES* BESTSELLING AUTHOR OF *IMPACT*

**"*Last Call for the Living* literally explodes with tension. It is a vividly real, hard-driving and driven story that reads like a thing possessed. Despite the high intensity, the characters spring to memorable and disturbing life. Don't start late at night like I did. You will see the dawn and still be unable to stop until the last shattering word."**

—WHITLEY STRIEBER, *NEW YORK TIMES* BESTSELLING AUTHOR OF *HYBRIDS*

**PETER FARRIS** is a graduate of Yale University. He lives in Cobb County, Georgia. *Last Call for the Living* is his first published novel.

The much-anticipated stand-alone sequel to *A Dog's Purpose*,  
9+ months on the *New York Times* bestseller list and soon to be a major motion picture!

**Buddy is a good dog.** After searching for his purpose through several eventful lives, Buddy is sure that he has found and fulfilled it. Yet as he watches curious baby Clarity get into dangerous mischief, he is certain that this little girl is very much in need of a dog of her own.

When Buddy is reborn, he realizes that he has a new destiny. He's overjoyed when he is adopted by Clarity, now a vibrant but troubled teenager. When they are suddenly separated, Buddy despairs—who will take care of his girl?

A charming and heartwarming story of hope, love, and unending devotion, *A Dog's Journey* asks the question: Do we really take care of our pets, or do they take care of us? More than just another endearing dog tale, *A Dog's Journey* is the moving story of unwavering loyalty and a love that crosses all barriers.

## Cliff Walk

A Mulligan Novel

**BRUCE DeSILVA**

The follow-up to the 2011 Edgar Award–winning novel, *Rogue Island*

Prostitution has been legal in Rhode Island for more than a decade; Liam Mulligan, an old-school investigative reporter at a dying Providence newspaper, suspects the governor has been taking payoffs to keep it that way. But this isn't the only story making headlines: a child's severed arm is found sprawled on the rocks at the base of Newport's famous Cliff Walk.

The killings seem random, but as Mulligan digs into the state's thriving sex business, strange connections emerge. Promised free sex with hookers if he minds his own business—and a beating if he doesn't—Mulligan enlists Thanks-Dad, the newspaper publisher's son, and Attila the Nun, the state's colorful Attorney General, in his quest for the truth. What Mulligan learns will lead him to question sexual morality, shake his tenuous religious faith, and leave him wondering who his real friends are.

*Cliff Walk* is at once a hard-boiled mystery and an exploration of sex and religion in the age of pornography. Written with the unique and powerful voice that won DeSilva an Edgar and Macavity Award for Best First Novel, *Cliff Walk* lifts Mulligan into the pantheon of great suspense heroes and is a giant leap for the career of Bruce DeSilva.

**Praise for *Rogue Island*:**

**"A tense, terrific thriller and a remarkably assured debut from Bruce DeSilva, an author to watch."**

—DENNIS LEHANE, *NEW YORK TIMES* BESTSELLING AUTHOR OF *THE GIVEN DAY* AND *SHUTTER ISLAND*

—HARLAN COBEN, *NEW YORK TIMES* BESTSELLING AUTHOR OF *LONG LOST*

**"Writing with genuine authority, a dose of cynical humor, and a squinting eye on the world, Bruce DeSilva delivers a newspaper story that ranks with the best of them."**

## Hitman

*The Untold Story of Johnny Martorano: Whitey Bulger's Enforcer and the Most Feared Gangster in the Underworld*

### HOWIE CARR

**The *New York Times* bestselling true crime story from radio host Howie Carr is now in paperback**

**M**artin Scorsese's *The Departed* barely touched on his story. Now radio talk show sensation, crime reporter, and *Boston Herald* columnist, Howie Carr takes us into the heart of the life of Johnny Martorano.

For two decades Martorano struck fear into anyone even remotely connected to his world. His partnership with Whitey Bulger and the infamous Winter Hill Gang led to twenty murders—for which Johnny would serve twelve years in prison. Carr also looks at the politicians and FBI agents who aided Johnny and Whitey, and at the flamboyant city of Boston which Martorano so ruthlessly ruled.

A plethora of paradoxes, Johnny Martorano was Mr. Mom by day and man-about-town by night. Surrounded by fast-living politicians, sports celebrities, and show biz entertainers, Johnny was charismatically colorful—as charming as he was frightening. After all, he was, in the end...a hitman.

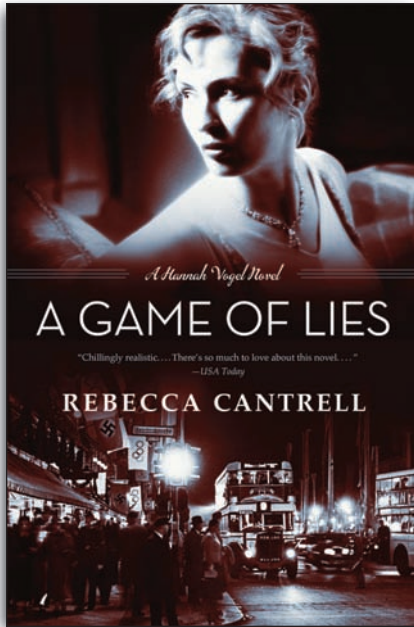

The paperback edition of Howie Carr's riveting true-crime story includes a new epilogue detailing Whitey Bulger's dramatic June 2011 capture.

**"Howie Carr weaves a frightening tale of unlawful conduct, and it's all true!"**  
 —BILL O'REILLY ON *HITMAN*

**"The indictments of mobster-mangled Boston continue to rain down in Howie Carr's superb new true-crime book, *Hitman*. It's horrifying, it's deadpan shocking, it's a brilliant treatise on criminal psychopathy, and a portrait of a city defined and subverted by hoodlums run amok. Read this book—it will grab you, garrotte you, and leave you gasping for breath."**

—JAMES ELLROY, BESTSELLING AUTHOR OF *AMERICAN TABLOID* AND *L.A. CONFIDENTIAL*

**HOWIE CARR** is a columnist for the *Boston Herald*. He wrote *The Brothers Bulger*, which spent eleven weeks on the *New York Times* bestseller list, and the *New York Times* bestseller *Hitman*. Carr hosts a daily four-hour radio talk show syndicated throughout New England. In 1985, Carr won a National Magazine Award, and in 2008 he was elected to the National Radio Hall of Fame. Carr lives in suburban Boston with his wife and their three daughters.

Posing as travel reporter Adelheid Zinsli, lover of SS officer Lars Lang, Hannah has been collecting Nazi secrets from Lang and smuggling them back to Switzerland. Wanted by the SS, her travel in and out of Germany is fraught with danger.

Surrounded by former colleagues who could identify her, Hannah tries to keep a low profile while reporting on the Games as Adelheid. Her relationship with Lang gets more complicated as he sinks into alcoholism; the whispers she hears about his work in the SS give her chills. Whose side is he on?

Hannah meets her mentor, Peter Weill, at the Olympic Stadium, but before he can reveal information that will expose the Nazis, he dies in front of her. Hannah suspects poison.

Hannah must discover who killed Weill and get his secret package out of the country before the Olympics end and the Nazis tighten their noose...and before her true identity is revealed. And her partner may be the one about to expose her....

Frank Sturgis—The CIA's #1 Assassin-Spy, Who Nearly Killed Castro but Was Ambushed by Watergate

JIM HUNT and BOB RISCH

### An insider's look at the life and crimes of Frank Sturgis

The press called him a “real-life James Bond.” Fidel Castro called him “the most dangerous CIA agent.”

History remembers him as a Watergate burglar, yet the Watergate break-in was his least perilous mission.

Frank Sturgis—using more than thirty aliases and code names—trained guerrilla armies in twelve countries on three continents and spearheaded assassination plots to overthrow foreign governments, including those of Cuba, Panama, Guatemala, the Dominican Republic, and Haiti.

The adventures of Sturgis are brought to life by his nephew Jim Hunt and cowriter Bob Risch. Also included are never-before-seen personal photos of Sturgis and his compatriots.

**“If you can’t wait for the next big espionage thriller, wait no more. It’s as if John LeCarré meets Brad Thor. And—get this—it’s not a novel. It’s all true. You won’t believe what you’re reading, and you won’t be able to stop, either.”**

—WILLIAM MARTIN, *NEW YORK TIMES* BESTSELLING AUTHOR OF *CITY OF DREAMS AND ANNAPOLIS*

**“There actually are James-Bond-bigger-than-life-characters in the real world. WWII Marine hero, CIA operative, Watergate burglar, arms runner, Sturgis could and did do everything.... *Warrior* reads like a top-shelf action-adventure novel, only this story is the real deal.”** —DAVID HAGBERG, *NEW YORK TIMES* BESTSELLING AUTHOR OF *ABYSS*

**JIM HUNT** is a trial attorney and the nephew of the late Frank Sturgis. During his thirty-five-year legal career Hunt has handled many complex civil cases and major felonies. He is an adjunct professor at the University of Cincinnati College of Law. He and his wife, Laura, have three grown children and live in Pierce Township, Ohio.

**BOB RISCH** grew up in Cincinnati and moved to Boston, where he practiced law for forty years. Risch has published music, poetry, history books, and literary articles. He and his wife, Nancy, share their time between Boston and Florida’s west coast. They have five grown children.

## Burning Midnight

LOREN D. ESTLEMAN

**A hot new Amos Walker mystery by a master of the hard-boiled detective novel**

**A**mos Walker knows Detroit, from the highest to the lowest, and that includes the gangs of Mexicantown. When a friend asks Walker to get his son's brother-in-law out of one of two feuding gangs, Walker gets in trouble fast. First, dead bodies start to pile up; then come suspicious fires and the bottle bombs. Walker is caught in the middle of a gang war.

Whether or not a middle-aged gringo like him can cool things off between the Maldados and the Zapatistas, he's got to try; he did promise his friend. Once he gets involved, he realizes there's something else going on; the specter of an international conspiracy threatens to make this local trouble blow sky-high. And if he ends up dead or in jail for murders he didn't commit, he might have to put that promise on hold. It's tough being Amos Walker.

**Praise for *Infernal Angels*:**

- ★ "Shamus Award–winner Estleman demonstrates that the art of inserting a Philip Marlowe–esque hero into modern times is alive and well in his twenty-first novel featuring Detroit PI Amos Walker.... Estleman presents a powerful view of the battered inner city. Three decades on, Estleman and Walker show no signs of slowing down."

## Castro's Daughter

DAVID HAGBERG

The *New York Times* bestselling Kirk McGarvey series continues with a deadly mission to find the fabled seven cities of gold

Cuban Intelligence Service Colonel Maria Leon is called to the bedside of the dying Fidel Castro. She is his illegitimate daughter but has never been acknowledged by her father until now. Castro makes her promise to contact the legendary former director of the CIA, Kirk McGarvey, to help her on a mysterious quest to find Cibola, the fabled seven cities of gold.

As the Cuban government unravels, Leon has to use every means at her disposal just to find the elusive McGarvey, while fending off men in her own Operations Division who want her job or her death. In desperation, Leon kidnaps McGarvey's closest friend, Otto Rencke, to force McGarvey's hand.

Mac's meeting with Leon launches the most bizarre mission of his career. It takes him from Cuba to Mexico City, to Spain, and finally to an ancient site in New Mexico that the Spanish conquistadors called the *Jornada del Muerto*—the Journey of Death.

On the run from Cuban intelligence agents and bloodthirsty Mexican drug cartel soldiers who will stop at nothing for a piece of the fabulous treasure, McGarvey struggles to decipher the truth buried in Leon's deception.

The latest installment in David Hagberg's *New York Times* bestselling Kirk McGarvey series takes the former CIA director on another deadly international adventure.

## A City of Broken Glass

REBECCA CANTRELL

Journalist Hannah Vogel returns to 1938 Berlin. "A compelling and human story that captures brilliantly the atmosphere of Berlin during the rise of the Nazis."

—ANNE PERRY, *NEW YORK TIMES* BESTSELLING AUTHOR OF  
*WE SHALL NOT SLEEP ON A TRACE OF SMOKE*

Journalist Hannah Vogel is in Poland with her son Anton to cover the 1938 St. Martin festival when she hears that 12,000 Polish Jews have been deported from Germany. Hannah drops everything to get the story on the refugees, and walks directly into danger.

Kidnapped by the SS and driven across the German border, Hannah is rescued by Anton and her lover, Lars Lang, whom she had presumed dead two years before. Hannah doesn't know if she can trust Lars again, with her heart or with her life, but she has little choice. Injured in the escape attempt and wanted by the Gestapo, Hannah and Anton are trapped with Lars in Berlin. While Hannah works on an exit strategy, she helps to search for Ruth, the missing toddler of her Jewish friend Paul, who disappeared during the deportation.

Trapped in Nazi Germany with her son just days before *Kristallnacht*, the Night of Broken Glass, Hannah knows the dangers of staying any longer than needed. But she can't turn her back on this one little girl, even if it plunges her and her family into danger.

# Hellbox

## BILL PRONZINI

**When a detective's wife goes missing, the rules go out the window**

**B**ill, the "Nameless Detective," and his wife Kerry were in the Sierra foothills, just outside of Six Pines, falling in love with a cabin. It was all perfect, until Kerry went missing.

They'd seen Balfour at breakfast at the diner and Kerry remembered his name...PR people are like that. Which was unfortunate, because when she ran into him along the trail on that sunny afternoon and called him by name, he panicked. And that's when Bill's nightmare began.

In a small town with limited resources, where a major case was keeping everyone busy, a private investigator demanding action wasn't very popular. They were doing all they could, Bill was told. But it wasn't enough.

With the help of his longtime associate Jake Runyon, Bill begins a search that uncovers just what price the citizens in a town without pity might have to pay. Bill and Jake follow the few leads they have, and come face to face with the Hellbox.

The Nameless Detective series is the longest-running series of its kind, and Bill Pronzini only gets better with each new Nameless title.

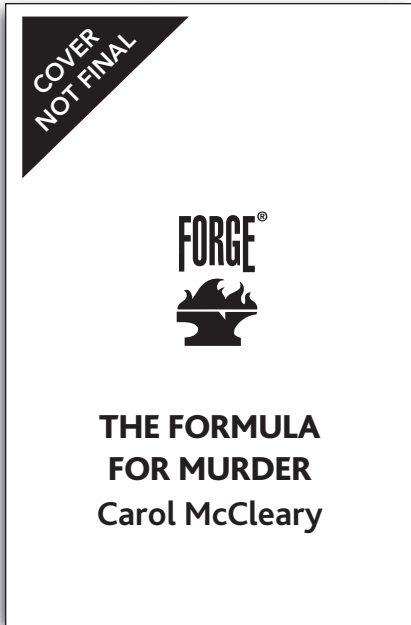

### Praise for *Camouflage*:

- ★ "Can doing first-rate work as consistently as Pronzini really be as effortless as he makes it seem?" —*KIRKUS REVIEWS*, STARRED REVIEW
- ★ "The Nameless series continues to be a wonder of great plotting, long-term character development, and insight into the chilling banality of evil." —*BOOKLIST*, STARRED REVIEW

### Praise for *Schemers*:

- "Pronzini's crisp and wry style gives the latest installment of the Nameless series page-turning flair." —*RT BOOK REVIEWS*

**BILL PRONZINI** has been nominated for, or has won, every prize offered to crime fiction writers, including the 2008 Grand Master Award from the Mystery Writers of America. It is no wonder, then, that *Ellery Queen's Mystery Magazine* said of him: "Complexity of characterization, puzzle, and theme support the case for Pronzini as the finest American detective novelist in current practice." He lives and writes in California, with his wife, the crime novelist Marcia Muller.

## An Echo Through the Snow

ANDREA THALASINOS

**An inspiring story of how a single act of kindness can transform your life**

Rosalie MacKenzie was headed nowhere until she saw Smokey, a Siberian husky suffering from neglect. Rosalie finds the courage to rescue the dog, and—united by the bond of love that forms between them—they save each other.

Soon Rosalie and Smokey are immersed in the world of competitive dog sled racing. Days are filled with training runs, the stark beauty of rural Wisconsin, and the whoosh of runners on snow. Rosalie discovers that behind the modern sport lies a tragic history: the heartbreaking story of the Chukchi people of Siberia. When Stalin's Red Army displaced the Chukchi in 1929, many were killed and others lost their homes and their beloved Guardians—the huskies that were the soul and livelihood of their people.

Alternating between past and present, telling of a struggling Chukchi family and a young woman discovering herself, *An Echo Through the Snow* takes readers on a gripping, profound, and uplifting dog sled ride to the Iditarod and beyond, on a journey of survival and healing.

**"A sensitive and engaging story which beautifully illustrates the ancient human/canine bond. Her rendering of the little known story of the Chukchi people of Siberia is heart-wrenching and uplifting at the same time. Destined to become a classic."**

—SUSAN WILSON, *NEW YORK TIMES* BESTSELLING AUTHOR OF *ONE GOOD DOG*

**"The author's love of dogs and the land come shining through in this compelling and evocative novel. Don't pick it up unless you're able to step on the sled, listen to the panting of the dogs and the thump of their paws on the trail while you enjoy the ride—I read it straight through and couldn't put it down."**

—PATRICIA MCCONNELL, PH.D., AUTHOR OF *THE OTHER END OF THE LEASH*

**"Delicate and vivid as the beadwork Rosalie works on by night, energetic and fast-paced as the dog teams she handles by day, *An Echo Through the Snow* is an elaborate weaving of past and present, of two women trapped by their circumstances and determined to set themselves free. I loved this book."**

—MICHELLE DIENER, AUTHOR OF *IN A TREACHEROUS COURT*

**ANDREA THALASINOS**, Ph.D., is a professor of sociology at Madison College. Her respect for huskies grew while she was running her own sled team of six dogs. She helped found a dog rescue group in the upper Midwest for displaced Northern Breeds. Andrea lives in Madison, Wisconsin, with her dogs, Panda and Luna. *An Echo Through the Snow* is her first novel.

# Stealing from the Dead

A. J. ZERRIES

**Detective Greta Strasser uncovers a brutal plot to steal millions from Holocaust survivors and fuel a vast terrorist conspiracy**

**B**etween 1933 and 1945, thousands of Jewish people deposited their money in Swiss bank accounts, hoping that they or their family might survive the Holocaust. However, when the survivors returned to reclaim their money, the banks claimed that the accounts never existed.

Now, decades later, NYPD detective Greta Strasser, investigating the death of an elderly Jewish woman, stumbles onto a conspiracy that stretches from New York and Los Angeles to Germany, from Switzerland to the Middle East. Greta, recruited by a special task force, follows a trail of ruthless murders.

The conspirators have hired an assassin to kill the people on the Claims Resolution Tribunal list. Greta, hell-bent on stopping the senseless deaths and enormous theft of funds, goes undercover to prevent the next murder, even though it means impersonating the assassin she hunts.

**WAYNE ARTHURSON**

★ **“A very satisfying debut. Think Nancy Pickard for region and atmosphere, Brad Parks for journalism, and Timothy Hallinan for social concerns and attitude. Highly recommended.”**  
—LIBRARY JOURNAL, STARRED REVIEW, MYSTERY DEBUT OF THE MONTH

**M**arking the debut of Leo Desroches, one of the most unusual amateur detectives ever to appear in Canada or points south, this fast-paced, enthralling mystery is the story of a man who had everything, lost it all, and is trying to get it back.

Leo Desroches doesn't look like a native, but his mother was Cree, and he understands the problems of indigenous Canadians of the First Nations. Which is probably why the Edmonton newspaper decides he should be their Aboriginal Issues reporter. He has his own issues to deal with: the compulsive gambling that cost him his wife and children and the risk-taking that threatens to derail him every time he starts to get his life back together. But during a newspaper strike, Leo caught a break, getting hired as a reporter. Since then, he's managed to resist the urge to gamble. But he still hasn't stopped taking risks....

When he's assigned to cover the murder of a young native prostitute, it's just one more article...until the cop in charge lets him view the corpse, something the Edmonton police never do. Leo's article starts a chain of events that leads him to a much, much bigger story, one that could bring down the entire police department...if it doesn't get him killed.

**“Canadian journalist Arthurson's impressive first novel...demonstrates a fine sense of place and casts a sympathetic but informed eye on Edmonton's varied cultures.”**  
—PUBLISHERS WEEKLY

**“This is a genre-bender, its twists all the more startling for being unexpected.”**

**“The way Arthurson blends disparate elements together in his winning debut augurs well for future efforts. Here's hoping Arthurson brings the troubled Leo Desroches back for an encore, and soon.”**
