An entertaining literary tour through the history of one of the sports world's most colorful and lovable teams.

- A range of talented writers throughout the decades have penned tributes to the beloved Cubs, from renowned journalists like Jerome Holtzman and George Will to famous fans like Bill Murray and Eddie Vedder.
- The Cubs have an extremely passionate and loyal fan base in Chicago and around the country.
- Cubs supporters relish the team's colorful history and are avid buyers of books on the subject.

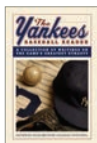

A lifelong baseball fan, Adam Brunner works as an editor and lives in St. Paul, Minnesota.

Josh Leventhal has been an avid baseball fan for as long as he can remember, and he is the author of several books, including *Take Me Out to the Ballpark*, *The World Series: An Illustrated History of the Fall Classic*, and *Baseball Yesterday & Today*. He lives in St. Paul.

From billy goats and bleacher bums to Slammin' Sammy and Mr. Cub himself, the history of the Chicago Cubs is full of fascinating storylines and colorful characters going back 135 years, and those stories and personalities have been written about by some of the top sportswriters and observers of the game. Such esteemed writers as Mike Royko, George Will, Jerome Holtzman, Roger Angell, Michael Wilbon, Grantland Rice, and more have penned tributes to the trials and tribulations of this ball club and its passionate fans. Gems such as "Baseball's Sad Lexicon"—a poetic tribute to the Cubs' great double-play combination of Tinkers, Evers, and Chance—have become a part of the standard baseball literature, while others are lesser known works of no less genius. **The Chicago Cubs Reader** brings together spot reporting, essays, memoirs, and other works of prose and poetry to provide a journey through the moments and memories of Cubs baseball history.

Philadelphia Phillies history as you've never seen it before—every season, every memorable moment.

- The Phillies are one of the most popular and iconic sports franchises, and this book offers a unique presentation of the team's history.
- Features stories, photos, stats, and quotes for a well-rounded and comprehensive history.
- The Phillies are enjoying one of the most successful periods in team history, and fan interest is peaking.

A native of Philadelphia, Tyler Kepner has been a baseball writer for the *New York Times* since 2000 and before that covered the Angels for the *Riverside Press-Enterprise* and the Mariners for the *Seattle Post-Intelligencer*. He lives in Connecticut with his wife and their four children.

This year-by-year history of one of baseball's most iconic franchises presents the stories, characters, and memorable moments that have defined every season of Philadelphia Phillies baseball since the franchise's founding in 1883. **The Phillies Chronicle** explores both the on-field events and off-field drama that made each season unique, and it includes profiles of the stars and near-stars who made baseball history: Robin Roberts, Richie Ashburn, Mike Schmidt, Steve Carlton, Jim Bunning, Pete Alexander, Chuck Klein, Del Ennis, Dick Allen, Tug McGraw, Larry Bowa, Greg Luzinski, Garry Maddox, Pete Rose, Jimmy Rollins, Ryan Howard, Chase Utley, Cliff Lee, and many, many more.

Hall of Famer Rod Carew reveals the physical and mental secrets to becoming a great hitter.

- The most up-to-date and only full-color treatment on the core skill of a game played by millions but mastered by few.
- Carew is a legendary hall of fame hitter and one of the most experienced and well-respected hitting instructors in the game.
- Includes analysis by Carew on the best hitters in today's game, including Albert Pujols, Joe Mauer, and more.

A hall of famer and one of the greatest hitters in history of, Rod Carew remains involved with Major League Baseball through executive roles with the Twins and Angels and as the commissioner's Special Advisor for International Player Development in Latin America, Europe, and Australia.

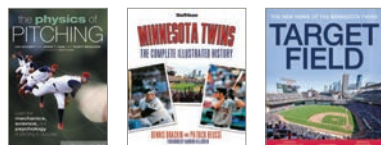

Frank Pace is one of television's most prolific producers, with nearly 600 episodes of network TV to his credit.

Armen Keteyian is the chief investigative correspondent for CBS News and a correspondent for HBO's *Real Sports with Bryant Gumbel*. He is the author or coauthor of nine books.

In the more than 40 years since Rod Carew debuted in the big leagues, he's watched thousands of great and not-so-great hitters while discerning the fundamentals of success at the plate. Countless hours spent experimenting, watching video, and refining his own techniques have helped transform Carew from one of the game's best hitters to one of its most revered teachers. **Rod Carew's The Art and Science of Hitting** teaches hitters how to develop their own swing, stance, and plate approach, all within the framework of solid fundamentals. Detailed photos and diagrams help students envision and execute success at the plate. Carew's hitting philosophy is featured here as well, with a focus on the mental and psychological battle between a hitter and a pitcher. Carew encourages his students to be creative and flexible in the batter's box, making **Rod Carew's The Art and Science of Hitting** the ideal instructional tool for hitters of all ages and skill levels.

The inside story of the Minnesota sports and media world by the Twin Cities' top sports media personality.

- Mark Rosen is one of the top sports media personalities in Minnesota and throughout the region, his face and voice familiar to millions of viewers and listeners of WCCO and KFAN.
- The book offers rare insights and behind-the-scenes anecdotes that can only come from somebody with Rosen's experience and connections.
- Rosen is very active in the community and can make numerous appearances through which he will promote the book.

Mark Rosen (Minneapolis, MN) is WCCO-TV's sports director, anchor, and reporter. Mark also hosts his own weekly sports magazine show, *Rosen's Sports Sunday*. He has been featured in *Minneapolis-St. Paul Magazine* and *City Pages* as the No. 1 sportscaster in Minnesota.

James H. Bruton (White Bear Lake, MN) spent 35 years in the field of corrections and also played football for the University of Minnesota in 1965 and 1966. He is the author of *A Tradition of Purple: An Inside Look at the Minnesota Vikings* and coauthor of Lou Nanne's *A Passion to Win* and Fran Tarkenton's *Every Day Is Game Day*.

Mark Rosen was hired by WCCO television at the age of 17 and has been a part of the 'CCO team for more than four decades. During that time, he has become one of the most popular and respected sports media celebrities in the Twin Cities, state, and region—a true icon on the Minnesota sports scene. In this first-person account, Rosen shares his experiences working with athletes, journalists, and a variety of local notables. He describes the most memorable moments from the playing fields and behind the scenes, and he offers insights gleaned from four decades in the business. Beyond being a major local TV and radio personality, Rosen is very active in the community and has established a reputation for his honesty, integrity, and credibility. The stories and anecdotes contained in this book offer a rare inside look into the worlds of sports, media, and even politics from the perspective of someone who is a legend in his field.

Finally, a glorious, illustrated celebration of one of the most successful rock bands of all time!

→ Iron Maiden's 15 studio albums have sold more than 85 million units, more than Van Halen, Motley Crue, R.E.M., Neil Young, and Tom Petty—all previously successful book subjects.

→ *The Final Frontier* (2010) is the band's most successful album to date, debuting at No. 1 in 30 countries, including the UK, Brazil, Canada, the Czech Republic, Finland, France, Germany, Hungary, Japan, Saudi Arabia, Slovakia, and Spain.

→ The 2008–2009 *Somewhere Back in Time* tour was seen by over 2 million people worldwide (equaling Bruce Springsteen's top tour ever).

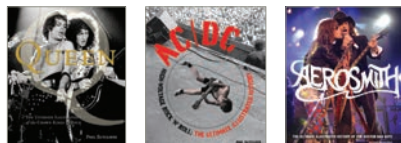

Neil Daniels (London, England) has written about classic rock and heavy metal for a wide range of magazines, fanzines, and websites. He had more than ten books published between 2007 and 2011, including titles on Judas Priest, Robert Plant, Bon Jovi, and Journey. His reviews, articles, and interviews have appeared in *The Guardian*, *Classic Rock*, and myriad other publications and websites.

Formed in east London in 1975, Iron Maiden went on to become one of the most successful rock acts in history. With more than 85 million album sales to their credit, the legendary metal band remains hugely popular worldwide: Their 2010 album, *The Final Frontier*, debuted at No. 1 in 30 countries and received unanimous critical praise. In this, the first complete illustrated treatment of Iron Maiden, a roster of respected heavy metal journalists including Ian Christie, Martin Popoff, Mick Wall, Daniel Buczspan, and more relate the band's history, analyze their recordings, and provide a complete discography. The stories behind the band's formation, recordings, and tours are complemented with more than 400 images, including live performance and candid off-stage photographs, as well as memorabilia, gig posters, T-shirts, backstage passes, buttons, and tickets. Exclusive cover art was created by Derek Riggs, the man behind Iron Maiden's iconic mascot, Eddie.

A book that guitarists will drool over!

- ➔ There are numerous best-selling electric guitar histories on the market, but this is the first popular history of the electric guitar's essential counterpart, the amplifier.
- ➔ As with electric guitars, amps have great romance to fans—and more mystery!
- ➔ Just as most guitar players have more than one guitar, they also have several amps. And many amps are just as famous as the great guitars, including amps from Fender, Marshall, Vox, Gibson, Gretsch, and more.

Guitarists love amps—*really* love them. Amplifiers may look dull to the rest of the world, but to guitarists, they are full of mystique, romance, and rockin' sound. And while there are many strong-selling electric guitar histories available, here's the first illustrated history of the electric guitar's best friend, the amp. World-famous guitar and amp historian Dave Hunter tells the story of 60 of the greatest amps ever built, including classics from Fender, Marshall, Vox, the bizarre EchoSonic that created Elvis' sound, and the ultimate esoteric \$75,000+ Dumble amps. The story is illustrated with hundreds of technical photos, rare machines, catalogs, memorabilia, and the amps of the stars, from Jimi Hendrix to Stevie Ray Vaughan to Eric Clapton. This is a book guitarists will drool over.

Author Dave Hunter is a well-known expert to amp and guitar freaks. He's a writer for *Vintage Guitar* and *Guitar Player* magazines and author of *Star Guitars* and numerous other music books. He lives and plays his many guitars and amps in Portsmouth, New Hampshire.

It's perhaps the relative modernity of rock 'n' roll that makes the genre a minefield of myths and legends accepted as truth. History hasn't had time to dissect the bunk. Until now. Discover the real stories behind rock's biggest crocks, how they came to be and why they have persisted. Did Cass Elliott really asphyxiate herself with a ham sandwich? Did the Beatles spark a spliff in Buckingham? Did Willie Nelson do the same in the White House? Did Keith Richards get a complete "oil change" at a Swiss clinic in 1973 to pass a drug test necessary to embark on an American tour with the Stones? Then there's the freaky (did Michael Jackson own the remains of the Elephant Man?), the quasi-medical (Rod Stewart and that stomach pump?), the culinary (did Alice Cooper and Ozzy Osbourne really do all those things to bats, chickens, etc. on stage?), and the apocryphal (did Robert Johnson sell his soul to the Prince of Darkness in exchange for mastery of the blues?). In all, more than 50 enduring lies are examined, explained, and debunked.

The essential drum kit owner's manual!

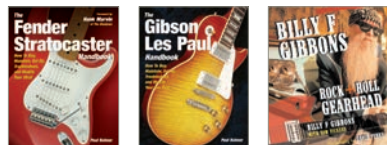

- Drum kits and percussion instruments generate \$475.3 million in annual sales according to *Music Trades Magazine's* Annual Music Products Industry Census. Average annual sales include 207,275 drum kits, 35,420 drum machines, and 10,500 electronic drum sets.
- Everything you need to know to get the best sound out of your drums.
- Follows in the style of our successful handbook series, starting with *The Fender Stratocaster Handbook*.

Paul Balmer is the author of *The Fender Stratocaster Handbook* and *The Gibson Les Paul Handbook*. He's a veteran guitarist musician and lives in London.

Here is the first hands-on manual devoted to drum sets, providing drummers essential information on buying, maintaining, setting up, modifying, and tuning their drum kits. Packed with photographs and hard-won advice, this book also examines the drum setups of numerous professional musicians in jazz, rock, and other genres.

A pro guitar builder cuts through all the online noise with the definitive guide to the growing hobby of building electric guitars from kits and parts.

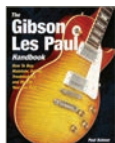

- ➔ All-new content from well-known luthier, guitar repairman, and *Vintage Guitar* columnist Will Kelly.
- ➔ Guitarfetish.com, one of the top online retailers of electric guitar kits and parts, reports selling 5,000 guitar kits and a combined 30,000 necks and pre-routed bodies in 2009.
- ➔ Information on the subject available online is incredibly vast and varied. This book is the only concise, authoritative resource on finishing bodies and necks, choosing and installing electronics, and setting up the finished guitar.

*A veteran guitar-maker, Will Kelly is also a regular contributor to *Vintage Guitar* magazine and the owner of Hard Knocks Guitars. He lives in Cary, North Carolina.*

In the past few years, the market for electric guitar kits and parts has exploded. For every two enthusiasts, there are four opinions on how properly to fill woodgrain. In this book, Will Kelly cuts through all that noise and shows how, with a little patience and some inexpensive tools, the average person can turn a modest investment into a gig-worthy instrument and perhaps even a lifelong hobby. Kelly presents guitar-building in a progressive fashion, beginning with a simple Stratocaster-style kit with a bolt-on neck and continuing on to a “relic’d” Telecaster-style build, two Gibson-style set-neck models, and a custom double-neck mash-up. Because each build is more involved than the previous, the reader builds on his or her skill set and acquires only the tools necessary for the reader’s level of interest. Kelly shows how to apply finishes, choose and install hardware, wire electronics, execute the final assembly, and set up the finished guitar for proper action and intonation.

The definitive guide for crafters who want to spin, dye, and knit their own yarn.

- This is the first guidebook to combine spinning, dyeing, and knitting in a single, authoritative volume.
- Excellent, illustrated step-by-step instruction.
- Includes 10 patterns specifically geared toward hand-spun yarn.

Wendy J. Johnson is a fiber artist, teacher, photographer, author, and graphic artist. She spins and knits at the same kitchen table she shared with her grandmother—now located in Minneapolis, Minnesota. www.SagaHill.com

This stylish book provides crafters with everything they need to know to create their own yarn using a variety of fibers and techniques. This definitive guide includes everything from where to find the best sources for raw wool to instructions on how properly to clean it, card it, spin it, and dye it and, best of all, what to knit with it. Thorough, step-by-step instructions for all stages of the yarn-making process are accompanied by color photos and insightful tips and tricks for how to get the best results, plus 10 patterns designed to show off the hand-spun, brilliantly dyed finished product. **Yarn Works** covers natural and other dyes for synthetic, blended, and natural fibers, including wool, alpaca, angora, cotton, quiviut, and more.

A collection of classic Swedish patterns inspired by textiles from the American Swedish Institute.

- The first book ever to focus on the myriad designs and techniques unique to Swedish knitting styles.
- Features new designs inspired by vintage handknit artifacts from the world-class American Swedish Institute collection.
- Archival photographs of Swedes and Swedish-Americans and the history of knitting in Sweden will draw in traditional knitters.

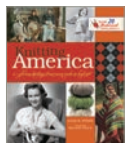

Sue Flanders is co-author of *Norwegian Handknits*. Her knitwear designs have been published in many magazines and books over the years, including *Knitting in America* and *Kids Knitting*. She lives in Minneapolis, Minnesota.

Janine Kosel is co-author of *Norwegian Handknits*. She has been knitting since her mother taught her as a young girl. She lives in Minneapolis, Minnesota.

Swedish Handknits is a collection of patterns for sweaters, hats, scarves, mittens, headbands, and bags, all inspired by the historic textiles housed at the American Swedish Institute in Minneapolis, Minnesota. The Institute was the first to host the successful Bohus knitting exhibit in America, so it's fitting that its world-class textile collection provides the inspiration for these designs. As in the authors' *Norwegian Handknits*, vintage photographs of Swedish immigrants, recipes, and photos of the artifacts that inspired the designs will be included, along with a short history of knitting in Sweden. Bohus, twined knitting, and Swedish mittens are some of the many techniques featured in the book.

A collection of 40 stunning patterns for mittens and hats from global knitting traditions.

- ➔ The global approach and wide variety of projects by name designers make this book a special addition to any knitter's bookshelf.
- ➔ Includes both easy and more challenging and technically complex projects.
- ➔ This is the first book to feature patterns for hat and mitten sets from around the world.

Here are 40 patterns for hats, mittens, and gloves from around the globe—including stylish traditional projects from Scandinavia, Eastern Europe, the British Isles, the Americas, and Asia. Pattern introductions provide a background of knitting techniques from that part of the world, including schematics and charts. An introduction on the history of hat/mitten knitting by Donna Druchunas is included.

Kari Cornell is a book editor by day and an avid knitter by night. She is the editor of several collections of knitting stories and patterns, including *For the Love of Knitting; Modern Knits, Vintage Style; Knitting Socks from Around the World; and Knitting Scarves from Around the World.*

*The bestselling project
and technique book—now
in paperback.*

- 10,000+ copies sold of the original hardcover edition.
- Scandinavian styles and techniques are hugely popular with the current knitting revival and on Ravelry.com.
- The only current book available on Norwegian knitting techniques.

Sue Flanders has been designing knitwear for more than twenty years. Her patterns have appeared in many publications including *Interweave Knits*, *Knitter's* magazine, *Cast-On*, and two books by Melanie Falick, *Knitting in America* and *Kids Knits*. She lives in the Twin Cities area in Minnesota.

Janine Kosel is an accomplished knitter who has studied under greats like Alice Starmore, Meg Swansen, and Candice Eisner Strict. Janine works at Three Kitten's Yarn Shop in St. Paul and teaches knitting and tatting workshops at many Twin Cities-area knitting and needlework shops.

Norwegian Handknits collects 30 patterns for folk mittens, socks, scarves, hats, wristers, handbags, knapsacks, and a sweater or two inspired by traditional knits housed in the Vesterheim Museum in Decorah, Iowa. An introduction reflecting on the history of Norwegian-style knitting and the stories behind the handknits that inspired the patterns is included. Sidebars include classic Norwegian cooking recipes and historical knitting photos.

Said Tony Hillerman, "No one brings ghost towns to life like Philip Varney."

- Continues our successful new *Ghost Town* series in the 6 x 9 format.
- Author Philip Varney is the expert on American West ghost towns.
- Some of the most famous and beloved ghost towns exist in this region, including Bodie, California.

Philip Varney (Tucson, AZ) has toured and photographed more than 600 ghost towns throughout the American West. He is the author of eight ghost town guidebooks, including *Ghost Towns of the Mountain West*. According to Tony Hillerman, "No one brings ghost towns to life like Philip Varney."

Ghost Towns of California is a guidebook to the state's best boomtowns. Once thriving, these abandoned mining camps and pioneer villages still ring with history. Ghost town expert Philip Varney equips you with everything you need to know to explore these remnants of the past. Featured are color maps, driving and walking directions, town histories, touring recommendations, and stunning color photography of 70 sites, including the famous Bodie. Come see where it all started at the mother lode and trace the great migration throughout the region. Visit the northern mines and the ghosts of San Francisco Bay, the Eastern Sierra, Death Valley, and the Mojave Desert. This is the essential guidebook to the glory days of the Old West!

Backroads of New England takes you on routes that lead to the region's most secluded and overlooked natural areas and sites.

- New portable 6x9 format will make this already-popular seller even more appealing.
- Updated with a new introduction, 20–30 new color photographs, and factual text updates.
- Highlights 30 scenic backroads trips throughout the region.

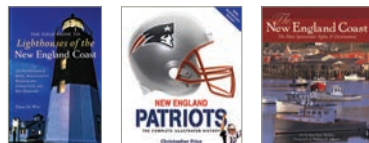

Connecticut-based travel writer Kim Knox Beckius is also the author of *Backroads of New York* and *The New England Coast*; her writing and photography have also been featured on several websites and blogs, as well as in magazines, including *Grace Ormonde Wedding Style*.

For over thirty years, native New Englander William H. Johnson's artistic landscapes have captured the spectacular New England countryside in all seasons. His work has been published in magazines, books, calendars, cards, puzzles, and advertising.

From the sandy shores of Cape Cod to the distinct ridges of Vermont's Mount Mansfield; from Connecticut's Quiet Corner to the Kancamagus Highway through the White Mountain National Forest in New Hampshire; and from tiny Lubec, Maine, at the "Beginning of America," to the "Graveyard of the Atlantic" at Point Judith, Rhode Island, thirty of New England's most varied and vibrant attractions are presented here, inviting you to explore them. **Backroads of New England**—written and photographed by local experts—takes you on routes that lead to the region's most secluded and overlooked natural areas and sites that capture New England's colorful history. Whether you're planning a day trip, looking for unusual destinations, or simply wanting to learn more about the locale, **Backroads of New England** will lead you deep into the soul of New England—beyond the bustling cities and common tourist attractions.

Locally grown recipes from well-known chefs in the Hamptons and greater Long Island.

- ➔ Chefs include Michael Rozzi (Della Femina, Hamptons), Joseph Realmuto (Nick & Toni's, Anna Pump (Loaves & Fishes), and more.
- ➔ Includes delicious recipes, garden ideas, and plant lists from top chefs in the Hamptons and Long Island areas.
- ➔ The public's increasing desire for locally grown produce and good, healthy recipes will be a key selling point for this book.

For the past five-plus years, Leeann Lavin (Atlantic Highlands, NJ) was the Director of Communications at Brooklyn Botanic Garden. As principal of Duchess Designs, LLC, Leeann is an award-winning landscape designer. Her garden book reviews have appeared in *The Two River Times* and the *Wall Street Journal*.

Jennifer Calais Smith is a New York City-based photographer specializing in architecture, food, gardens, travel, and interiors. Her work has been published in *Architectural Record*, *Town & Country*, and *Metropolis*, as well as on *Food&Wine.com*, among others.

As the movement to eat what is grown locally gains momentum, there is an increasing awareness of how best to incorporate this philosophy into our everyday lives. We can grow our own food and buy food grown locally at food cooperatives and markets, but what happens when we eat out? There are a number of chefs around the country dedicated to using only the freshest, locally grown ingredients in all the dishes they prepare and serve. This book takes the reader on a private tour of outstanding chefs of the Long Island area and their gardens. Each profile reflects the chef's personal style, cultural background, desire for healthy, just-picked ingredients, and gardening philosophy. Recipes, plan lists, garden layouts, and color photos are included.

With more than 30 books and countless magazine articles to his credit, Brian Solomon is one of today's most accomplished railway historians and photographers. He splits his time between his hometown of Monson, Massachusetts, and Dublin, Ireland.

This richly illustrated encyclopedia of classic and contemporary American railroads features concise histories of 101 U.S. and Canadian railroads, past and present. Illustrated with period and modern photography in both color and black and white, evocative print ads, and system maps, each profile is also accompanied by one or more fact boxes offering details on the railroads' geographic scope, hardware, and freight and passenger operations. Spanning more than a century and a half, this giant compendium of "fallen flags," Class I behemoths, classic regional carriers, and transportation icons is sure to become the go-to compendium for railfans of all stripes.

Christmas on the Farm reminds us how to re-create the best foods, gifts, decorations and parties of those Christmases gone by.

- *Christmas on the Farm* presents more than 200 recipes for old Christmas favorites as well as pages of instructions for making beautiful decorations and homemade gifts for family and friends.
- Vintage advertisements and line art from the original *Farmer's Wife* magazine, published in St. Paul from the late 1800s through the 1940s, illustrate the book.
- The book also features directions for old-fashioned games family and friends can play and stories that can be enjoyed by all ages.

Editor Lela Nargi (Brooklyn, NY) is the author of *Around the Table: Women on Food, Cooking, Nourishment, Love . . .* and *the Mothers Who Dished It Up for Them* and several other *Farmer's Wife* cookbooks.

Christmas was the be-all, end-all celebration on the farm. Pages and pages on the topic appeared in *The Farmer's Wife*, and these pages weren't just about food—although recipes for all the various components of parties and holiday gift baskets certainly abounded. The magazine's experts expounded on the best and latest ways to decorate home, tree, and parcels and to create homemade gifts for family and friends, as well as games to be played to capture the spirit of the season. In short, *The Farmer's Wife* presented its own opinion—both grand and humble, broad and minute, and always, always bearing in mind the idea of community among its readers—about the ways in which Christmas should be celebrated. You'll find in this book a smattering of that opinion. Here are recipes to see you through the entire Christmas season; gift ideas guaranteed to get your creative juices flowing; tips for decking your halls; and even a few stories to delight both the young and the young at heart.
