- Doll making and surface design techniques continue to be a passionate area of interest for fiber artists worldwide.

Patti Medaris Culea has a fine arts background. She offers a full line of cloth doll patterns for those who can't be part of her classes. She is the author of four doll-making books and one on fiber arts. She is coauthor, along with Elinor Peace Bailey and Barbara Willis of *Creative Cloth Doll Workshop*, due out in November 2010.

This book is a compilation of the first four of Patti Medaris Culea's bestselling books: *Creative Cloth Doll Making*, *Creative Cloth Doll Faces*, *Creative Cloth Doll Couture*, and *Creative Cloth Doll Beading*. This comprehensive book guides readers through all the basics of creating cloth figures, with step-by-step fully illustrated instruction. Readers get complete patterns to create several styles of dolls, many with interchangeable parts. The book provides methods for creating beautiful faces, hair, garments, clothing, and instruction in a wide variety of surface design techniques including dyeing, painting, stamping, beading, appliqué, hand and machine embroidery, image transfers, using Tyvek, and more. For further inspiration, the book also includes a gallery of doll designs by other leading doll artists, all made using the patterns from the book.
