Summary: For the first time in his career, Terry will be publishing a book every six months from the start to end of this series: here is the second in a brand-new trilogy, following *The Wards of Faerie*, in the *New York Times* bestselling Shannara universe!

Long ago, many dangerous creatures were locked behind a magical barrier, bringing peace and prosperity to the land. But now those barriers are eroding, and generations of embittered prisoners are about to escape. War seems inevitable...unless...

Author Bio: TERRY BROOKS published his first novel, *The Sword of Shannara*, in 1977. It was a *New York Times* bestseller for more than six months. He has published twenty-five *New York Times* bestsellers since. Two of those—the novels *Running with the Demon* and *A Knight of the Word*—were chosen by the *Rocky Mountain News* (Denver) as among the best fantasy novels of the twentieth century. He lives in the Pacific Northwest with his wife, Judine.

Summary: Reissued in a gorgeous new package, using the all-new, definitive text.

Toward the end of the Vietnam era, in a snug little Rhode Island seacoast town, wonderful powers have descended upon Alexandra, Jane, and Sukie, bewitching divorcees with sudden access to all that is female, fecund, and mysterious. Alexandra, a sculptor, summons thunderstorms; Jane, a cellist, floats on the air; and Sukie, the local gossip columnist, turns milk into cream. Their happy little coven takes on new, mal...

Summary: An internationally bestselling phenomenon: the darkly suspenseful, highly controversial tale of two families struggling to make the hardest decision of their lives—all over the course of one meal.

It's a summer's evening in Amsterdam, and two couples meet at a fashionable restaurant for dinner. Between mouthfuls of food and over the polite scrapings of cutlery, the conversation remains a gentle hum of polite discourse—the banality of work, the triviality of the holidays. But behind the...

Summary: A rollicking indictment of the liberal elite's hypocrisy when it comes to food

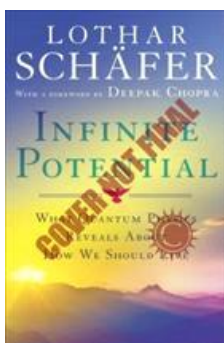

Ban trans fats? Outlaw Happy Meals? Tax Twinkies? What's next? Affirmative action for cows?

A catastrophe is looming. Farmers are raping the land and torturing animals. Food is riddled with deadly pesticides, hormones, and foreign DNA. Corporate farms are wallowing in government subsidies. Meat packers and fast-food restaurants are exploiting workers and tainting the food supply. And Paula Deen has diab...

Summary: A touching, insightful and uplifting memoir, complete with more than 40 recipes, that recounts a year in the life of a new parent learning to cook for three.

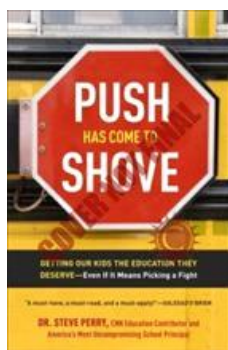

Keith Dixon's passion was cooking. For years, he sustained himself through difficult days by dreaming about the lavish recipes he was going to attempt when he got home-Thai curries, Indian raitas, Sichuan noodles. All that changed when his daughter, Gracie, was born five weeks early, at just four pounds. Keith and his wife, Jessic...

Summary: "One of my favorite ideas is never to keep an unnecessary soldier," Thomas Jefferson wrote. Neither Jefferson nor the other Founders could ever have envisioned our vast and confounding modern national security state.

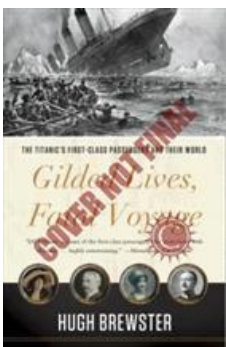

Written with bracing wit and intelligence, Rachel Maddow's *Drift* argues that we've drifted away from America's original ideals and become a nation weirdly at peace with perpetual war. To understand how we've arrived at such a dangerous place, Maddow takes us from the Vietn...

Summary: This remarkably fresh and engaging character-driven account of man's search for immortality argues that a powerful desire to beat death drives civilization, from science and medicine to religion and art, and assesses whether this desire will be fulfilled.

The quest to live forever is the hidden motivator of all we do—the wellspring of religion, the muse of philosophy, the architect of our cities, and the impulse behind the arts. It is embedded in our very nature, and its result is what...

Summary: An original, provocative diagnosis of what ails America from the most promising political mind of his generation.

In his first book, Chris Hayes has written a wholly original and surely controversial analysis of the crisis of authority in American public life. Ten years worth of scandals, frauds, and corruption-Major League Baseball, the Big Three automakers, Enron, Congressional malfeasance, the near collapse of Wall Street and pedophile priests-have resulted in a country that has ent...

Summary: A bold, inventive, and slyly witty work of debut fiction about life and love in your twenties

When Sylvie moves to New York at age 23, all she can think about is kissing. Who is kissing whom, and are they doing more than kissing, and when she meets the right guy, is a kiss just a kiss or could it lead to something more? As Sylvie and her friends navigate the treacherous world of their twenties, more men are added to their kissing lists-the porn star, the pseudo-intellectual, the creepy...

Summary: If following Jesus meant letting go of just about everything you had worked for years to achieve, what would you do?

More and more Christians are translating their beliefs into action by answering Jesus's call to obedience. No longer is radical discipleship considered the exclusive province of saints and mystics. Ordinary believers are choosing to follow Jesus down unfamiliar paths. In *Sent*, Hilary Alan shows readers what is involved in letting go of a comfortable lifestyle to join Jes...

Summary: A spinoff of the buzzworthy blog, a hilarious survival guide for weathering the daily injustices of life at the bottom of the totem pole.

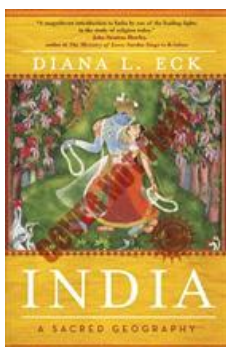

Lydia Whitlock was an overworked, underappreciated Hollywood assistant when she started a blog to vent her frustrations. Now she's written the handbook every underling needs to maintain a sense of humor in the dysfunctional, awkward, and-yes-indispensable relationship between boss and assistant.

To My Assistant is a combination of Lydia's notes to h...

Author Bio: LYDIA WHITLOCK graduated from Yale in 2008 with a degree in Film Studies, which has proven to be very useful to her in social situations in Silver Lake and Brooklyn, but nowhere else. She moved to L.A. with hopes of making it big in show business, bolstered by the belief that she was special, which can be blamed entirely on her parents. She is currently an assistant to a commercial director-a great boss
