From the number one *New York Times* best-selling author of *Midwives*, Chris Bohjalian's fifteenth book, *The Sandcastle Girls*, is his most personal novel to date, exploring the legacy of the Armenian genocide for one family.

Summary: Over the course of his career, *New York Times* bestselling novelist Chris Bohjalian has taken readers on a spectacular array of journeys. *Midwives* brought us to an isolated Vermont farmhouse on an icy winter's night and a home birth gone tragically wrong. *The Double Bind* perfectly conjured the Roaring Twenties on Long Island—and a young social worker's descent into madness. And *Skeletons at the Feast* chronicled the last six months of World War Two in Poland and Germany with nail-biting a...

The Booker Prize-winning author gives us a brilliant, profoundly moving new novel about an actor in the twilight of his life and his career: a meditation on love and loss, and on the inscrutable immediacy of the past in our present lives.

Summary: Is there any difference between memory and invention? That is the question that fuels this stunning novel, written with the depth of character, the clarifying lyricism, and the heart-wrenching humor that have marked all of John Banville's extraordinary works. And it is the question that haunts Alexander Cleave as he plumbs the memories of his first—and perhaps only—love (he, at fifteen, the woman twice his age, the mother of his best friend; the situation impossible, thrilling, devourin...

From one of our most trusted spiritual advisors, comes a thoughtful and illuminating guide to that most complex of texts—the Book of Job—and what it can teach us about living in a troubled world.

Summary: The story of Job is one of unjust things happening to a good man. Yet even after losing his possessions, children, and physical health, Job—though confused, angry, and questioning of God—refuses to lose his faith, and is rewarded with good fortune and abundance. In this newest entry in the Jewish Encounters series, Rabbi Harold S. Kushner examines the questions raised by Job's experience, questions that have troubled wisdom-seekers and worshippers for centuries. What kind of God would p...

From *New York Times* best-selling author H. W. Brands, comes the first full biography of Ulysses S. Grant to appear in a dozen years, destined to take its place at the leading edge of a serious re-evaluation of a sorely underestimated presidency.

Summary: Ulysses S. Grant was the famed Civil War general who rose from obscurity to discover he had a genius for battle that propelled his victory for the Union under Abraham Lincoln. After Lincoln's assassination and the disastrous brief presidency of Andrew Johnson, America turned to Grant again to unite the country, this time as President. In H. W. From the best-selling author of *The Black Swan* and one of the foremost philosophers of our time, Nassim Nicholas Taleb, comes a look at how some systems actually benefit from disorder.

Summary: In *The Black Swan*, Taleb outlined a problem; in *Antifragility* he offers a definitive solution: how to gain from disorder and chaos while being protected from fragilities and adverse events. For what he calls the "antifragile" is one step beyond robust, as it benefits from adversity, uncertainty and stressors, just as human bones get stronger when subjected to stress and tension.

From the Pulitzer Prize-winning, best-selling author of *American Lion* and *Franklin and Winston* comes a rich, unprecedented biography of Thomas Jefferson, an original thinker and a master politician, who helped create and sustain the American republic.

Summary: Jon Meacham brings to life the complete man, from birth to his last days—through the Revolutionary War and his years as President. We see the Founding Father who steered the states to nationhood, wrote the Declaration of Independence, and as a master politician President, doubled the size of America through the Louisiana Purchase. With a powerful narrative, Meacham guides us through the life and extraordinary times of a man often admired but, before now, never truly understood in all h...

New York Times best-selling author Linda Howard brings us the second audiobook in her new paranormal romance series, sure to delight and engage her loyal fans as well as the huge, ever-growing paranormal romance audience.

Summary: In book 1 of this steamy new contemporary Western romance series by two blockbuster authors, a cowboy and a woman on the run take a stand and fight for love.

Carlin Reed lives in fear, off the grid, moving from place to place. So Battle Ridge, Wyoming, a small town in the middle of nowhere, seems like a good place to lie low for a while. But after becoming cook and housekeeper to cattle rancher Zeke Decker, Carlin suspects that she's made her first mistake. Rugged, sexy, and too distr...

Best-selling author Deepak Chopra and one of the world's foremost experts on the causes of Alzheimer's, Rudolph Tanzi, use cutting-edge research to show us how to harness our brain's potential for change, creativity, and intelligence to achieve physical, mental, and spiritual well-being.

Summary: The exciting field of neuroscience has been exploding with new findings by the day. Ever since it became possible to view the human brain as it lights up with activity, researchers have had to change long-held assumptions about the organ that is often called "the three-pound universe." In *Super Brain*, Chopra and Tanzi argue against the predominantly held belief that the physical brain is in charge of the mind. In fact, it is the mind that controls the brain and through our thoughts and ...

The inspiring (and hilarious) memoir of a gloriously eccentric dad raising an equally eccentric son, by the best-selling author of *Look Me in the Eye*.

Summary: John Elder Robison wasn't a model child. He was awkward in school; he ran away from home; he threatened people with knives. As an adult, he learned he had Asperger's syndrome, and his youthful shenanigans made for riotous stories. But it wasn't so funny when his son, Cubby, started having trouble in school.

Not that John was a model dad, either. When Cubby asked, "Where did I come from?" John said he'd bought him at the Kid Store—and that the salesman had cheated him by promising Cubby w...

A debut of extraordinary distinction: through the life of her unforgettable heroine, Hattie Shepherd, the author tells the story of the children of the Great Migration, a story of bitterness and love and the promise of a new North, built on the backs of Hattie's children.

Summary: In 1923, 17-year-old Hattie Shepherd flees Georgia for Philadelphia, where, though her first two babies die because she can't afford medicine, she keeps nine children alive with collard greens, old southern remedies, and sheer love. Saddled with a husband who will bring her nothing but disappointment, she prepares her children for a world she knows will not be kind to them. Their trials are the trials on which the history of America was forged, a tribute to the resilience of the human s...
