BONEMAN'S DAUGHTERS

DEAN DIXON PHOTOGRAPHY

TED DEKKER

A U.S. intelligence officer, captured in Iraq, inadvertently becomes a suspect at home in the serial killings of seven young girls.

They call him BoneMan, a serial killer who's abducted six young women. He's the perfect father looking for the perfect daughter, and when his victims fail to meet his lofty expectations, he kills them by breaking their bones and leaving them to die. Intelligence officer Ryan Evans, on the other hand, has lost all hope of ever being the perfect father. His daughter and his wife have written him out of their lives.

Everything changes when BoneMan takes Ryan's estranged daughter, Bethany, as his seventh victim. Ryan goes after BoneMan on his own. But the FBI sees the case differently. New evidence points to Ryan being BoneMan. Now the hunter is the hunted and in the end only one father will stand.

PRICELESS MEMORIES

Television icon Bob Barker, beloved by millions for his charisma and charm, shares his life—both in front of the camera and behind the scenes.

BOB BARKER WITH DIGBY DIEHL

As the unforgettable host of *The Price Is Right*, *Truth or Consequences*, *Miss USA*, *Miss Universe*, *The Rose Parade*, and many other programs, Bob Barker was welcomed into the homes of millions of Americans for 50 years. Now, in his first book, he shares a lifetime of experiences, including favorite contestants, episodes, and behind-the-scenes happenings. Beyond his public persona, he shares stories from his personal life: from being raised on a Native American reservation by a single mother through the

Great Depression, to training as a WWII Navy pilot, to his romance with the love of his life and high school sweetheart, Dorothy Jo, to his success in retirement. As a life-long animal rights supporter, he shares personal stories of confronting Hollywood and the government, including taking an anti-fur stance with beauty pageants, uncovering animal abuse in movies and television, helping to pass legislation, and rescuing animals. For Barker's innumerable fans, PRICELESS MEMORIES is like catching up with a dear friend who continues to lead an endlessly interesting life.

THE G-FREE DIET

A Gluten-Free Survival Guide

ELISABETH HASSELBECK

FOREWORD BY PETER GREEN, MD

Elisabeth Hasselbeck, co-host of *The View*, delivers a comprehensive and indispensable guide to living a gluten-free life.

For almost a decade, Elisabeth Hasselbeck couldn't figure out what was making her so sick. She consulted doctors and nutritionists, but no one had any answers. While starving in the Australian Outback on the TV show *Survivor*, her symptoms vanished. It was clear that something in her diet back home had been severely damaging her body—but what?

After returning to the U.S., Hasselbeck diagnosed herself with celiac disease (she was later formally diagnosed by Dr. Peter Green), an autoimmune reaction to gluten, the protein found in wheat, barley, rye, and some oats. Removing this one element from her diet was what it would take to restore her health. Hasselbeck's journey was only just beginning. She still had to learn how to revamp her diet, spot gluten in popular products, order G-Free meals at restaurants, and explain G-Free living to those around her with confidence.

THE G-FREE DIET simplifies this work for the estimated three million Americans who have celiac disease, the 30 million who have food intolerances, and the millions more who want to reshape their bodies inside and out. THE G-FREE DIET gives all the necessary skills to navigate life without gluten: how to decipher food labels; concoct G-Free substitutes for favorite foods; and manage G-Free living with family and friends, including how to be a G-Free guest at a party without offending the host, keeping kids G-Free at school, and much, much more!

Whatever readers' motivation for going G-Free—whether they have celiac disease, or they just want to take their health to the next level—this book lays the groundwork for making this transition with ease. Hasselbeck shares her hard-earned wisdom on living life without gluten and loving it.

What is gluten?

Gluten is a protein found in wheat, barley, rye, contaminated oats, and a multitude of other products—the “glue” that holds these foods together. Because gluten is also used as an all-purpose binder and additive, it shows up in many unexpected products, including salad dressing, chicken stock, prescription medicines, and even envelope adhesives.

Who benefits from a G-Free diet?

The G-Free Diet is beneficial for everyone, essential for some. Of the estimated three million Americans living with celiac disease, 95% do not know it. Undiagnosed celiac disease can lead to a multitude of serious health problems, including osteoporosis, liver disease, and even lymphoma, and miscarriage. And, while the only treatment for celiac disease is a life-long gluten-free diet, many other people can benefit from living G-Free, including those with autism (one in every 150 people) and those affected by ADHD, depression, infertility or recurrent miscarriages, IBS, thyroid disease, and numerous other autoimmune diseases.

What are the health benefits of living G-Free?

Weight loss, increased energy, stabilized mood, strengthened immune system, efficient digestion, and a general increase in overall well-being.

■ Gluten awareness is poised to become the next big trend in health and nutrition: there are new gluten allergy tests; gluten-free menus available at popular chain restaurants, including PF Chang's, Dairy Queen, and Outback Steakhouse; and a gluten-free beer introduced by Budweiser.

■ THE G-FREE DIET offers a program for eating—and living—that transforms one's approach to health and nutrition in the way that *Skinny Bitch* (Running Press, 12/05) promotes a diet for a lifetime. Like *Dr. Atkin's Diet Revolution* (Bantam, 10/81), it provides a clear, simple plan for eating a diet that focuses on fruits, vegetables, and protein. Best of all, THE G-FREE DIET is a user-friendly program that will leave the reader symptom-free and full of vigor.

■ Elisabeth Hasselbeck was introduced to TV audiences as a contestant on the wildly popular *Survivor: The Australian Outback*. Since joining *The View* as a co-host, she has been featured in *People*, *USA Weekend*, *TV Guide*, *Fitness*, and *Glamour*, among other publications, and has been a guest on *Larry King Live*, *The Martha Stewart Show*, *The Late Show with David Letterman*, *The Tonight Show with Jay Leno*, and *Good Morning America*, among other programs.

THE NINE LESSONS

A Novel

KEVIN ALAN MILNE

Kevin Alan Milne, author of *The Paper Bag Christmas*, shares a touching story about love, fatherhood, and second chances.

August Witte is firmly against having children. But after seven years of marriage, his wife is delighted when she discovers she is unexpectedly pregnant. August is terrified, recognizing he never learned the first thing about being a good parent from his father London, a widower who values the game of golf—a sport August has never had any talent for—more than his son. When August confronts his father, he ends up striking a bargain with London to meet each month of the pregnancy for a round of golf. In exchange, London will give him the only thing that could make him agree to pick up a club again—memories of his mother. But August quickly realizes that his father’s motive is not only to teach him about golf, but also to teach him about life—and he may discover that the old man just might know something about it worth sharing.

■ Kevin Alan Milne’s first book, *The Paper Bag Christmas* (Center Street, 10/08), has generated a lot of prepublication buzz with its ability to touch readers’ hearts and has a first printing of more than 115,000 copies. It has also earned the support of the Children’s Cancer Foundation.

■ Milne has a gift for writing emotional fiction that moves readers to laughter and tears. He delivers both in this powerful, uplifting novel.

■ THE NINE LESSONS offers advice on fatherhood from a father to a son, using golf metaphors, which will appeal to fathers and golfers everywhere.

Kevin Alan Milne lives in Sherwood, Oregon.

THE GARTH FACTOR

The Career Behind Country's Big Boom

PATSI BALE COX

New York Times bestselling author Patsi Bale Cox reveals the controversies, conflicts, and career highs and lows behind country's most successful modern superstar, Garth Brooks.

Garth Brooks is certified by the RIAA as the #1 selling solo artist in US history. Since his debut in 1990, he has sold more than 128 million albums. But success rarely comes without controversy, and Garth has had more than his share. Industry insider Patsi Bale Cox, who has written about Brooks throughout his career, examines the meteoric rise of the country star. She takes readers behind the closed doors of the record industry and penetrates the inner sanctum of the Nashville music community. **THE GARTH FACTOR** chronicles how Brooks's friendship with Trisha Yearwood developed into love and marriage, explores the truth behind his "alter-ego" Chris Gaines, and updates readers on what he's been doing since retirement.

- This unauthorized biography is the result of the author's 17 years of conversations with and reflections on Garth Brooks and the key people in his career.
- Garth Brooks has sold more albums than anyone else in the SoundScan era (1991 to 2008), according to a report released in January 2008 by Nielsen SoundScan. His January 2008 concert, *Garth Brooks: Live in L.A.*, sold out—85,000 tickets for five shows—in less than an hour.
- Patsi Bale Cox is the coauthor of Wynonna Judd's *New York Times* bestselling autobiography, *Coming Home to Myself* (NAL, 9/05), Loretta Lynn's *Still Woman Enough* (Hyperion, 4/02), and Tanya Tucker's *Nickel Dreams* (Hyperion, 4/97).

Advance Praise for **THE GARTH FACTOR**:

"What a great inside look at Garth and the business! There's so much new stuff here it should set Music Row a-buzzing. And I really enjoyed all those stories behind the songs."

—Ed Morris, former country music editor of *Billboard*

TRESPASSERS WILL BE BAPTIZED

The Unordained Memoir of a Preacher's Daughter

ELIZABETH EMERSON HANCOCK

The critically acclaimed memoir that chronicles the hilarity and heartbreak of growing up as the preacher's daughter in a Southern Baptist church is now in paperback.

Growing up Southern and Baptist in Eastern Kentucky, Elizabeth Emerson Hancock's world revolved around Sunday school, foreign missions projects, revival meetings, and, of course, the Kentucky Wildcats. Here, she chronicles her childhood misadventures with sardonic wit, detailing her and her sister Meg's mischievous—if harmless—abuses of power (demanding to be baptized in blue jeans, and lecturing their peers that "bugs are a biblical plague") and lovingly recalling the wisdom imparted by her long-suffering parents as they ministered to their unruly flock. TRESPASSERS WILL BE BAPTIZED introduces the quirky and unforgettable denizens of Elizabeth's childhood and marks the arrival of a talented new voice in a coming-of-age story that is by turns comical and affecting.

- TRESPASSERS WILL BE BAPTIZED was published in Center Street hardcover (978-1-59995-708-1) in 6/08.
- Elizabeth Emerson Hancock's distinctive heartland voice and razor-sharp wit joins the company of such celebrated Southern writers as Rebecca Wells's *Little Altars Everywhere* (HarperCollins, 10/98) and *Divine Secrets of the Ya-Ya Sisterhood* (HarperCollins, 4/96), Fannie Flagg's *Fried Green Tomatoes at the Whistle Stop Café* (Random House, 8/87), and Jill Connor Browne's Sweet Potato Queens series.
- Perfect for readers drawn to coming-of-age memoirs like Augusten Burroughs's *Running with Scissors* (St. Martin's Press, 7/02) and Haven Kimmel's *A Girl Named Zippy* (Doubleday, 3/01), TRESPASSERS WILL BE BAPTIZED is both funny and poignant.

MISCARRIAGE OF JUSTICE

A Novel

KIP GAYDEN

Now in paperback, the best-selling novel based on actual events about a turn-of-the-century love triangle that led to a shocking murder and a riveting trial.

Dr. Walter and Anna Dotson were pillars of society—a picture-perfect, respectable family. But what happened behind the closed doors of their grand house would spiral out of control, leading to unimaginable scandal and murder. The year is 1913, and as the women's suffrage movement marches across the country, Anna finds herself dissatisfied with life as a wife and mother. With a husband who no longer shows her physical affection, she is too susceptible to the attentions of a married man who is new in town. Their secret love affair will lead to a shocking murder, a full confession to a local newspaper reporter from *The Tennessean*, and a controversial trial with an unbelievable verdict. Based on a true story, this is a crime novel of a different ilk. While the crime is revealed at the start, the events leading up to the murder and trial are the focus. Who killed whom and why? That's the mystery the reader has to solve.

- In hardcover, *MISCARRIAGE OF JUSTICE* (Center Street, 978-1-59995-687-9, 2/08) landed on Davis-Kidd Booksellers's bestseller list for 20 weeks, with several weeks at #1. It was nominated as one of three finalists for the inaugural Reader's Choice Award presented by *The Tennessean* and was selected as the paper's summer reading recommendation.

- A custom Web site for the book at www.kipgayden.com provides more information on the novel and the real-life case on which it was based, including newspaper photos of the people involved.

- In the spirit of *The Widow of the South* (GCP, 8/05), this is a novel rich in historical detail and based on actual events that took place in and around Nashville, Tennessee.

- The author is a First Circuit Court judge in Nashville, giving this novel a unique hook and legal perspective. He has enthusiastically promoted it through speaking engagements, signings, and conferences.

SMART MAMA'S GREEN GUIDE

Simple Steps to Reduce Your Child's Toxic Chemical Exposure

JENNIFER TAGGART

FOREWORD BY
DEVRA DAVIS

This authoritative and informative guide will help parents manage their children's exposure to toxic chemicals.

SMART MAMA'S GREEN GUIDE delivers the information and tools busy parents need to make informed choices without the demand to go totally green. Packed with practical tips on eliminating or reducing the hidden dangers of toxic chemicals that lurk everywhere, this book empowers readers to control what comes into their homes and make informed decisions, instead of relying on government regulation of harmful chemicals. Parents often feel overwhelmed and defenseless against a never-ending recall of toys and baby products. Deciphering unpronounceable chemicals they encounter every day can be daunting, if not impossible. With environmental exposure closely linked to 70 percent of birth defects, new parents faced with the overwhelming responsibility for their babies' health frequently turn to organic products. But they quickly learn that they don't have the time to practice a completely green, natural lifestyle.

- Jennifer Taggart is an educational programs specialist for the celebrity-supported Healthy Child Healthy World, a green organization for parents. She is a regularly contributing writer for its Web site, www.healthychild.org.
- Consumers spend more than \$14 billion a year on organic food—and are expected to spend \$32 billion by 2009, according to the *New York Times*. Growth in the organic market is led, in part, by parents trying to improve the well being of their children.
- Recent coverage by CNN, the *New York Times*, *USA TODAY*, and celebrity campaigns on toxic chemical awareness demonstrates the growing interest in this topic.

JEFF LEWIS'S REAL ESTATE RULES

*How to Buy, Renovate, or Sell Your Home in Any Market—
the Smart Way*

JEFF LEWIS

In this essential real estate guide, Bravo TV star Jeff Lewis gives readers all the need-to-know tips and trade secrets for buying, renovating, or selling a home—in any market.

What the average home buyer needs today is expert advice to help them make savvy real estate choices in a changing market. JEFF LEWIS'S REAL ESTATE RULES gives potential and current homeowners all the secrets and tips they need to buy, renovate, or sell their home. He covers all the bases with a reassuring, down-to-earth tone, taking the guesswork out of the real estate game and giving readers the confidence they need in the post-real estate boom.

Considering the real estate market's recent highs and lows, buying a home can seem confusing at best—and risky at worst. But what the news headlines aren't shouting is the good news: home sales and approved mortgages for mid-2008 are on the rise by an average of 2% over the same time period in 2007, and government incentives, competitive mortgage rates, and prices that better reflect a home's actual value all mean that now is the time to buy, especially for potential home owners who were previously shut out of the market because of inflated prices.

- This book will appeal to the estimated five million homebuyers per year, including first-time homebuyers and buyers looking for long- and short-term investments.
- Jeff Lewis is the star of Bravo's hit show, *Flipping Out*, which is #1 in its time slot. A media authority on real estate, he has appeared on *The Ellen Degeneres Show*, the *Today* show, *Nightline*, *20/20*, *Larry King*, *The Big Idea with Donnie Deutsch*, CNN, and Fox News Channel, among others. He currently works with Ellen Degeneres as her personal home advisor.
- JEFF LEWIS'S REAL ESTATE RULES has the real-estate savvy and broad audience appeal to become a modern update of the real-estate classic *Bob Vila's Guide to Buying Your Dream Home* (Little, Brown and Company, 2/90), which has sold close to 90,000 trade paperback copies.

Jeff Lewis lives in Los Angeles, California.

RENOVATING: Lewis gives specific tips on the most common renovating questions, including finding and hiring a reputable contractor, getting estimates, assessing and reworking a floor plan, choosing appliances for your needs and budget, picking the best colors, tiles, and finishes, and more—all with a savvy eye toward adding value to the house.

SELLING: Lewis shares his wisdom on when and how to sell so home owners can get the best out of their investment, including tips on staging, listing, and weighing offers.

MOVING FORWARD

Taking the Lead in Your Life

DAVE PELZER

#1 New York Times bestselling author Dave Pelzer's high-energy, captivating guide to how he's moved beyond life's trials—and how you can, too—is now in paperback.

Pulitzer Prize-nominee Dave Pelzer teaches readers how to harness the strength of surviving past negative experiences and use that empowerment to live according to their own values. He draws wisdom and anecdotes from his personal history as well as his experience helping others through his speaking to private, public, and military groups; his crisis hotline; and his personal connections. Dave blends his gift for memoir-style storytelling with solid, actionable advice. This is a book designed to show people how to lift themselves up, written by a man who has personally walked the path from horrific trauma, through healing, and ultimately to a successful life where he is in a position to show others the way with his trademark wisdom, support, and tough love.

- MOVING FORWARD (Center Street, 978-1-59995-065-5, 6/08) has more than 95,000 hardcover copies in print.
- Dave Pelzer is the author of six books, two of which were nominated for the Pulitzer Prize. His first book, *A Child Called "It"* (HCI, 9/95), has been on the *New York Times* bestseller list for over six years; his books have been on the list for nearly 13 years combined. He has had four #1 international bestsellers and four books simultaneously on the *New York Times* bestseller list.
- Pelzer has been a guest on *The Oprah Winfrey Show*, *The View*, *Larry King Live*, *The Montel Williams Show*, *The Leeza Gibbons Show*, and *Sally Jessy Raphael*.
- *The Dave Pelzer Show* airs Fridays at 10 a.m. PST on www.voice.voiceamerica.com and features call-in questions from listeners. Pelzer will promote the book on his show. His official Web site is www.DavePelzer.com.
- Pelzer speaks at military installations, universities, and corporations, overseas and nationally, year-round.

TWO NEW EDITIONS IN JAMES SCOTT BELL'S

TRY DYING

A Novel

Now in paperback, the first book in the fast-paced legal thriller series introducing lawyer Ty Buchanan.

Ty Buchanan is a rising star in his Los Angeles law firm and looking forward to a bright future with his beautiful fiancée, Jacqueline. Then Ernesto Bonilla ends it all. A small-time thug, Bonilla makes headlines when he commits suicide by jumping off an overpass, landing on Jacqueline's car, and ending both of their lives. Authorities write it off as a freak accident, but a witness approaches Ty, telling him it was murder. Determined to discover the truth, Ty soon finds himself tangled up with former gang members. As Ty relentlessly navigates the underworld of L.A., he soon realizes that he's the target of a killer.

TRY FEAR

A Novel

L.A. lawyer Ty Buchanan returns when a murder case pulls him into a deadly political game.

For Ty Buchanan, defending a suspected drunk driver seems routine enough. But when his client ends up dead, an apparent suicide, there's nothing routine about it. The cops suspect it's murder and arrest the man's brother. Ty agrees to defend him and begins to uncover corruption that reaches into the citadels of city power. And he's being watched. Somewhere in the dark labyrinth of L.A., someone is doing everything to keep the truth from being found out—someone who believes that when warnings don't work, TRY FEAR.

HOW TO BE A HEPBURN IN A HILTON WORLD

The Art of Living with Style, Class & Grace

JORDAN CHRISTY

This smart and sassy guide shows young women how to find their own glamorous style, professional success, and love—with class and grace.

In a society driven by celebuntante news and myspace.com profiles, women of class, style, and charm are hard to come by. But as thongs, rehab, and outrageous behavior burn up the daily headlines, employers still like to see a tailored suit, men still want women they can take home to their moms, and peers still respect professional conduct. Christy helps women channel their inner Kate or Audrey, dusting off old-fashioned virtues and giving them a whole new spin in today's sexed-up culture. She shows how modern women can be beautiful, intelligent, and have it all—glamorous style, professional success, and true love—and keep their values and morals intact along the way.

- Recent books, such as Carol Platt Liebau's *Prude* (Center Street, 11/07) and Wendy Shalit's *Girls Gone Mild* (Random House, 6/07), outline the current problems young women face in a hyper-sexualized culture, but they don't give women specific advice on *how* to navigate this culture in a practical, relevant way. HOW TO BE A HEPBURN IN A HILTON WORLD fills that need.

- Jordan Christy is a publicist at Warner Bros. Records in Nashville and has written for *Billboard* magazine and *Relevant Magazine*, among other publications. She will be featured in a "Real Woman" piece in *O, The Oprah Magazine*, highlighting confident, successful, and beautiful women in 2009.

CULT INSANITY

A Memoir of Polygamy, Prophets, and Blood Atonement

IRENE SPENCER

In this shocking follow-up to her *New York Times* bestseller, Irene Spencer tells the story of her brother-in-law—and his unimaginable reign of terror in their polygamist community.

Irene Spencer's first book, *Shattered Dreams*, is the staggering chronicle of her struggle to provide for her children through abject poverty and feelings of abandonment each time her husband left her to be with one of his other wives. *CULT INSANITY* takes readers deeper into her story to uncover the outrageous behavior of her brother-in-law, Ervil LeBaron, and how he terrorized their colony. Claiming to be God's avenger and having a license to kill in the name of God, Ervil ordered the murders of friends and family members, eliminating all those who challenged his authority. *CULT INSANITY* is a riveting, terrifying memoir of polygamist life under the tyranny of a madman.

- *Shattered Dreams* (Center Street, 8/07) debuted at #9 on the *New York Times* bestseller list and has sold more than 47,000 copies.

- By conservative estimates, there are about 60,000 fundamentalist Mormons living in plural families today. Their unusual way of life, coupled with recent allegations of child abuse and their leaders' criminal activity, is a nearly constant source of news. Irene Spencer has family ties to the now-famous Jeffs clan, which is currently in the news.

- Irene Spencer has appeared on *Anderson Cooper 360*, *The 700 Club*, *The Geraldo Show*, and *Entertainment Tonight* to share her story and speak on the practice of polygamy.

Praise for *Shattered Dreams*:

"Her story will be emotional and shocking, but many readers will resonate with the universal question the memoir raises: how to reconcile inherited religious beliefs when they grate against social norms and the deepest desires of the heart."

—Publishers Weekly

"Spencer writes grippingly...in this brave and honest book, [and] lays bare the secrets of her heart and of a devastating religious practice."

RETURNS INFORMATION

All Hachette Book Group titles and distributed lines are eligible for return for three months after the date of publication, or three months after the invoice date for backlist titles, as long as they remain in print and in whole and saleable condition. Deductions for anticipated returns will not be honored. Only actual returns will be honored. All eligible returns will be credited at the same price and discount at which the books were most recently purchased from Hachette Book Group. Books not purchased directly from us will be credited at 50% off suggested retail price. A packing list stating quantities, titles, and ISBNs must accompany all returns. Prior written permission to return books is not required. The customer must prepay transportation charges on returns. Collect shipments will be refused. Any books declared out of print will be announced in *Publishers Weekly*. Returns of such books will be accepted for 180 days from the date of the announcement.
