Project Runway

ISABELLA ROSE TAYLOR started making clothes when she was 8 because she couldn't find things she wanted to wear. Now 13, Isabella has a fashion business. She designs clothes for kids and teenagers. In September, she showed her creations to clients and reporters at a big fashion show in New York City. "It was an amazing experience," she told TFK. "I love to inspire other kids."

Animal Power

JENNIFER HOLLAND'S latest book, *Unlikely Heroes*, tells true tales of animal bravery. Readers meet a dog that protects penguins from predators, otter moms that raise stray pups, and other heroes. "I show a side of animals that helps us appreciate all the special things nonhumans can do," Holland told TFK.

A Heroic Bond

RYAN POTTER, 19, voices Hiro Hamada in Disney's new animated movie *Big Hero 6*. Hiro is a young robotics expert who

lives in the made-up city of San Fransokyo, a combination of San Francisco and Tokyo. After Hiro has a personal tragedy, a robot named Baymax helps him heal. When Hiro's city is in danger, he transforms his friends into heroes. "This film has so much heart, but it also has action," Potter told TFK Kid Reporter Dahlia Suiter. "It's a really good balance."
