The background is a solid yellow color. Several animals are depicted in a stylized, painterly manner. At the top, a large brown horse is shown from the side, with its head down. To its left, a smaller brown horse is partially visible. To the right, the legs and tail of another brown horse are shown. In the bottom left, a dark brown horse is shown from the side. In the bottom right, a brown horse is shown from the side, with its tail visible. Various pieces of poop are scattered on the yellow ground. There are several dark brown, oval-shaped pieces of poop near the large brown horse at the top. There are several small, round, green pieces of poop near the smaller brown horse on the left. There are several small, round, brown pieces of poop near the horse on the right. There are several small, round, brown pieces of poop near the dark brown horse at the bottom left. There are several small, round, brown pieces of poop near the horse at the bottom right. There is a single, long, thin, brown piece of poop near the horse at the bottom right.

Different
animals
make
different
kinds of
poop.

Different
shapes,
different
colors, even
different
smells!

Others poop
somewhere
special.

Grown-ups
poop.

And kids
poop.

Some kids
poop on the
potty.

Others
poop in
diapers.

Some clean up
after they poop.

These animals poop
by the water.

This one poops in the water.

He wipes himself
with toilet
paper,

then
flushes
it away.
