25 ESSENTIAL GRAPHIC NOVELS

WATCHMEN

THE GREATEST GRAPHIC NOVEL OF ALL TIME

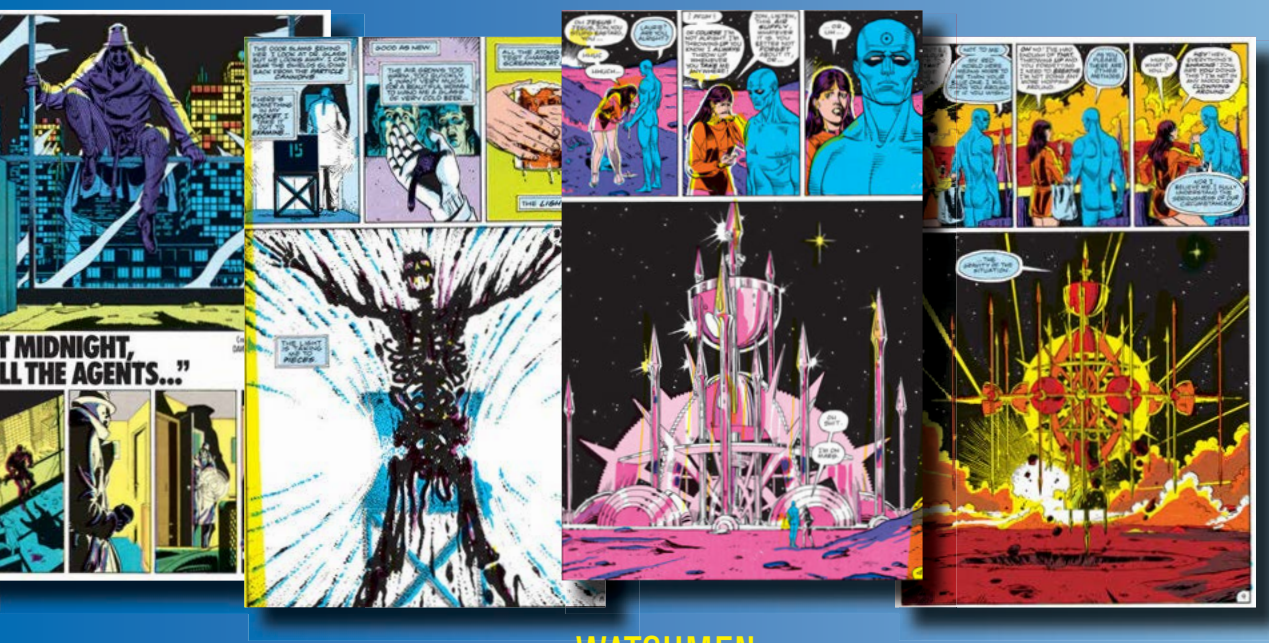

"A work of ruthless psychological realism, it's a landmark in the graphic novel medium. It would be A MASTERPIECE in any." —*TIME Magazine, TIME Magazine's 100 best English-language novels since 1923*

"REMARKABLE. The would-be heroes of WATCHMEN have staggeringly complex psychological profiles." —*The New York Times Book Review*

"Dark, violent and blackly funny, WATCHMEN is a comic book like no other…. [It is] the CRIME AND PUNISHMENT of graphic novels." —*London Times*

One of the most influential graphic novels of all time and a perennial bestseller, WATCHMEN is considered a gateway title to the entire graphic storytelling medium. Alan Moore and Dave Gibbons's seminal story is the benchmark against which all other graphic novels and comic books are judged.

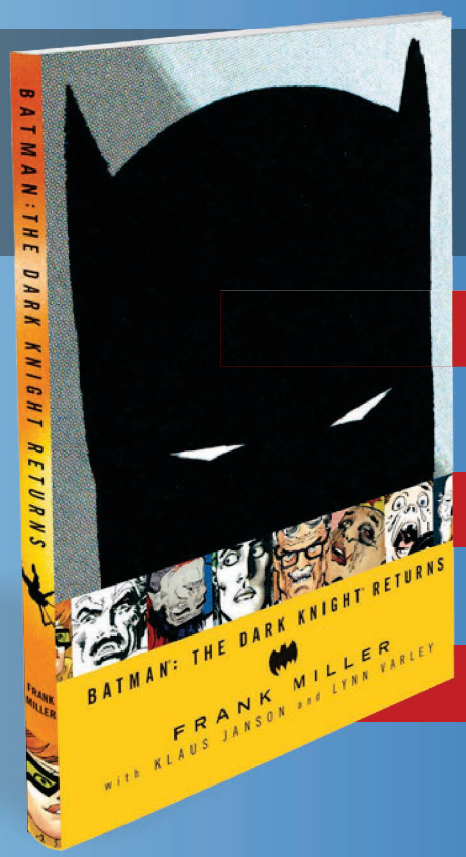

A murder mystery-turned-nationwide conspiracy, WATCHMEN examines the lives of the eponymous superhero team as they seem to decay alongside the ever-darkening America around them. Rorschach, Nite Owl, the Silk Spectre, Dr. Manhattan and Ozymandias reunite to investigate who's behind a teammate's murder, but find that the truth may be even more grim than the world they seek to protect.

THE DARK KNIGHT RETURNS

THE GREATEST BATMAN STORY EVER TOLD

"GROUNDBREAKING." —*USA Today*

"Changed the course of comics." —*Rolling Stone*

"REVISIONIST pop epic." —*SPIN*

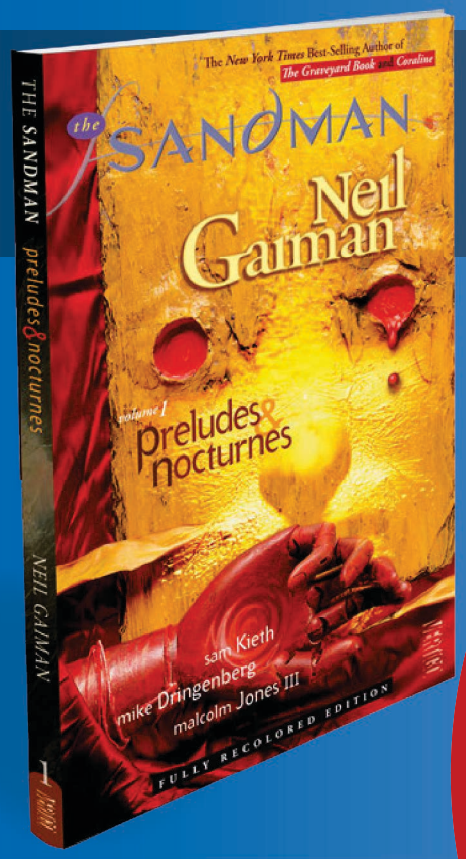

Ten years after an aging Batman has retired, Gotham City has sunk deeper into decadence and lawlessness. Now, when his city needs him most, the Dark Knight returns in a blaze of glory. Joined by Carrie Kelly, a teenage female Robin, Batman must take back the streets.

Hailed as a comics masterpiece, THE DARK KNIGHT RETURNS is Frank Miller's (*300* and *Sin City*) reinvention of Gotham's legendary protector. It remains one of the most influential stories ever told in comics, and is a book cited by the filmmakers as an inspiration for the recent blockbuster Batman movies.

THE SANDMAN

VOL.1: PRELUDES & NOCTURNES

THE FIRST VOLUME OF THE DEFINITIVE VERTIGO SERIES BY THE LEGENDARY NEIL GAIMAN

"THE SANDMAN just might be the SMARTEST COMIC BOOK EVER WRITTEN." —*USA Today*

"Neil Gaiman's long-running series made cool comics fantastical and fantastical comics cool. THE SANDMAN is a modern myth, as well as a précis on why the stories we tell matter so much."—*Playboy*

"The greatest epic in the history of comic books."
—*Los Angeles Times Magazine*

An occultist attempting to capture Death to bargain for eternal life traps Death's younger brother Dream instead. After his seventy-year imprisonment and eventual escape, Dream, also known as Morpheus, goes on a quest for his lost objects of power to reclaim his role as the keeper of dreams.

The *New York Times* best-selling author Neil Gaiman's transcendent series THE SANDMAN is often labeled as not only the definitive Vertigo title, but also as one of the finest achievements in graphic storytelling. BATMAN:

YEAR ONE

THE TIMELESS ORIGIN STORY OF THE CAPED CRUSADER

"It's not only ONE OF THE MOST IMPORTANT COMICS EVER WRITTEN, it's also among the best." —IGN

"This is a story no true Batman fan should be able to resist." —*School Library Journal*

"There's never been storytelling quite like this. It took someone who views comics as an art to create it." —*Washington Post*

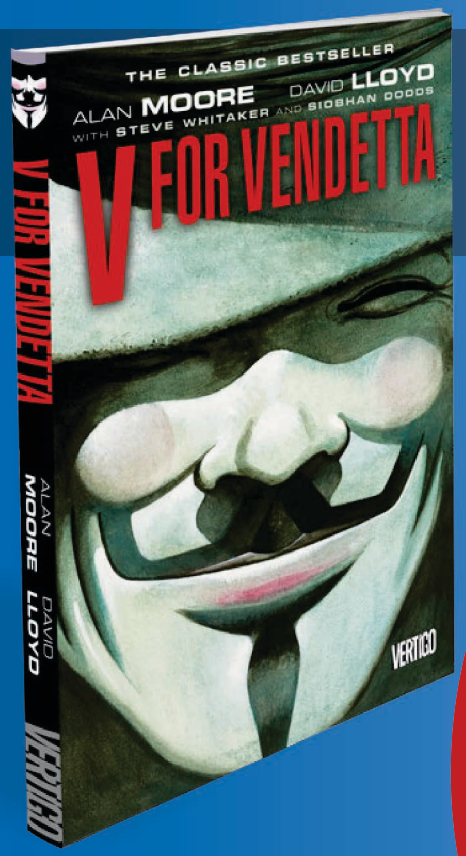

In 1986, Frank Miller and David Mazzucchelli produced this groundbreaking reinterpretation of the origin of Batman–who he is, and how he came to be. Sometimes careless and naive, this Dark Knight is far from the flawless vigilante he is today. In his first year on the job, Batman feels his way in a Gotham City far darker than when he left it. His solemn vow to extinguish the town's criminal element is only half the battle; along with Lieutenant James Gordon, the Dark Knight must also fight a police force more corrupt than the scum in the streets.

BATMAN: YEAR ONE is one of the greatest Batman graphic novels of all time. Timeless in its appeal, this masterpiece would stand apart from the crowded comics field even today.

"DARK, GRIPPING storytelling."
—*Entertainment Weekly*

"V FOR VENDETTA has serious and resounding implications for our time and place."

BATMAN: HUSH

BATMAN STALKS A NEW AND DEADLY VILLAIN WHO SEEMS TO KNOW MORE ABOUT BATMAN THAN ANYONE—HUSH!

"IT'S BEAUTIFUL STUFF. Catwoman has rarely looked so seductive, nor has Batman's heroic but fearsome image often been used so well. [Hush] make[s] readers look at Batman and his colleagues with a fresh, enthusiastic eye."
—Publishers Weekly

Gotham City's worst criminals have emerged to throw Batman's life into utter chaos. However, these villains–Joker, Riddler, Ra's al Ghul, Clayface and others–are a part of a much more elaborate, sinister scheme to destroy the Dark Knight once and for all. Pushed past his breaking point, Batman will need to use more than the world's greatest detective skills to uncover the true mastermind behind this murderous plot before those closest to Bruce Wayne suffer the consequences.

In this truly unforgettable story by two of comics' top talents, writer Jeph Loeb and DC Co-Publisher Jim Lee presents the Caped Crusader's most personal case yet.

JOKER

BRIAN AZZARELLO AND LEE BERMEJO'S ORIGINAL GRAPHIC NOVEL MASTERPIECE TRACES THE MOST VILE, DANGEROUS AND UNPREDICTABLE INMATE OF ARKHAM—THE JOKER!

"Disturbing, violent, oddly psychological and INSANELY WONDERFUL." —*USA Today*

"If you liked THE DARK KNIGHT, JOKER is a must-have for your bookshelf." —MTV.com

"A LITERARY ACHIEVEMENT that takes its place right alongside Alan Moore's BATMAN: THE KILLING JOKE." —IGN

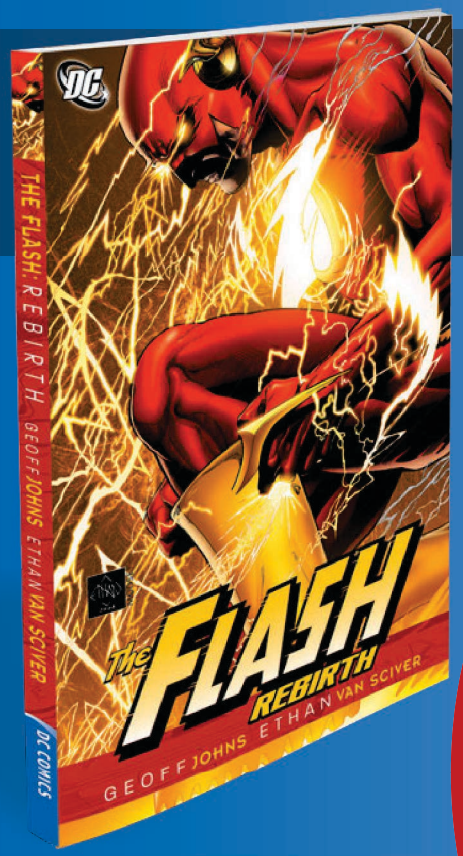

The Joker has been mysteriously released from Arkham Asylum, and he's not too happy about what's happened to his town while he's been away. What follows is a harrowing night of revenge, murder and manic crime, as he brutally takes back his stolen assets from The Penguin, Riddler, Two-Face, Killer Croc, and, of course, The Batman.

Brian Azzarello brings all the visceral intensity and criminal insight to JOKER that has made his Vertigo graphic novel series *100 Bullets* one of the most critically acclaimed and award-winning comic series of this generation. With gorgeous illustrations by one of the industry's very best in Lee Bermejo, Batman's greatest foe takes center stage in this true *crime noir* novel–a harrowing journey into a city of rain-soaked streets, dirty sheets and nothing but bad choices.
