Key Selling Points

- **New Erin Hunter Series That Stands Apart, Poised For Breakout Success:** though it features cat protagonists and animal characters like her previous books, this is the first Erin Hunter series to involve both magic and humans. And Erin Hunter's name is familiar to readers for more than just warriors: her other series have sold over 4 million copies across all formats.
- **Seizing The Warriors Moment:** this is a perfect time for a new Erin Hunter series! With the incredible success of the Warriors graphic novels, Hunter is having a big moment, drawing fans of all ages to her incredible animal stories.
- **Fast-Paced Middle Grade:** with a short page count, black-and-white illustrated design elements, and action-packed chapters, this new series answers the call from gatekeepers for engaging, fast-paced middle grade.
