

BONDED IN DEATH

Dear Reader,

Three decades after writing *Naked in Death*, Eve Dallas continues to challenge and entertain me every time I visit her world. While I initially planned the series as a trilogy, by the time I finished the third book, I found myself nowhere near ready to say farewell to Eve and Roarke or their New York. Fortunately, my publisher agreed.

Bonded in Death, the 60th book in the series, gave me an opportunity to look back at some of the events that created the fictional world in 2061. And to see how Eve and her squad—including Roarke, the expert consultant, civilian—would close a case with so many of the clues shrouded in history.

I hope you enjoy!

Nora
