

2. AND THEN THERE WAS ANOTHER ONE 🔍

Deductive Logico was thrilled when he heard an old man had been killed on a secluded island. Of course, that was bad, but Logico had always wanted to solve one of those secluded island murders, and finally, this was his chance.

CLUES & EVIDENCE

- Miss Saffron had a bear trap in her purse.
- The suspect whose family's company produced Logico's magnifying glass was literally hanging around the cliffs. (See Exhibit A.)
- The ancient ruins seemed to hypnotize the hazel eyes of the suspect beside them.
- **By the time Logico got there, the old man's body had been nibbled on by sharks.**
