

OUTSIDE, INSIDE

Storytime and
Activity Kit

From Caldecott honoree **LEUYEN PHAM**,
Outside, Inside is a moving picture book celebrating
essential workers and the community coming together
to face the challenges of the global COVID-19 pandemic.

ABOUT THE BOOK:

Something strange happened
on an unremarkable day
just before the season changed.

Everybody who was outside . . .

. . . went inside.

Outside, it was quieter, wilder, and different.
Inside, we laughed, we cried, and we grew.

We remembered to protect the ones
we love and love the ones who protect us.

While the world changed outside,
we became stronger on the inside
and believed that someday soon
spring would come again.
