

## FIND YOUR WAY THROUGH THE MAZE

Chester's mom has asked him to pick up some Brussels sprouts, but the community garden is a maze! Can you help Chester find the Brussels sprouts?

## **WORD SEARCH**

There are so many plants that get put in the category of "vegetable," it's hard to keep track of how many there are! See if you can find the names of common vegetables in the word search below. Have you tried them all? Which ones are your favorites?

## **MEMORY GAME**

Print out two sets of the cards below and ask a grown up to help you cut them out. Mix up the cards, place them facedown, then turn two cards over. If they match, take another turn. If not, turn them facedown again and the next player gets a turn.
