This tiny hippopotamus
has something small to say

and if we're very quiet now,
she'll say it right away.

Listen!

“BEE BO!”

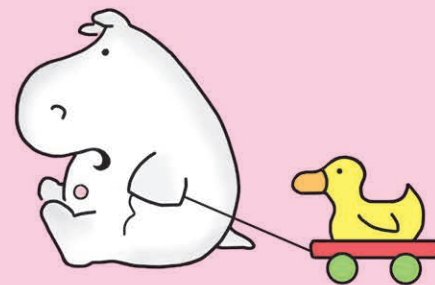

You might not know
what “BEE BO!” means.
Or maybe you’ve forgotten.
It’s just the tiny hippo way
of saying...

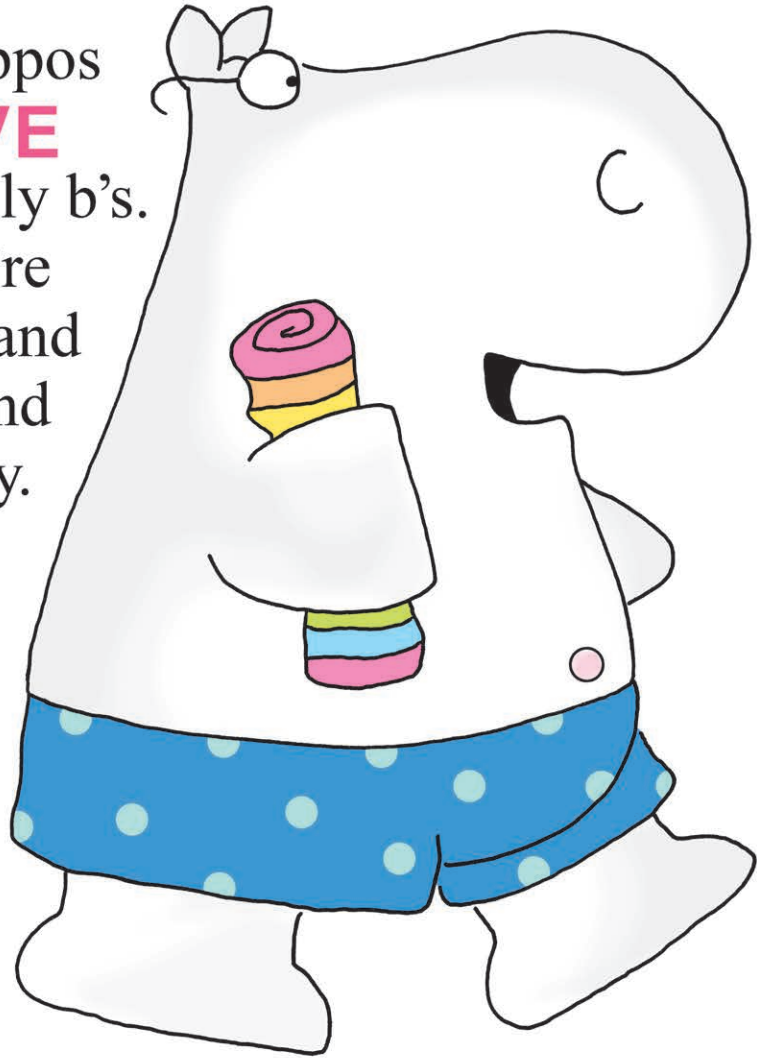

“BELLY
BUTTON!”

“BEE BO!”

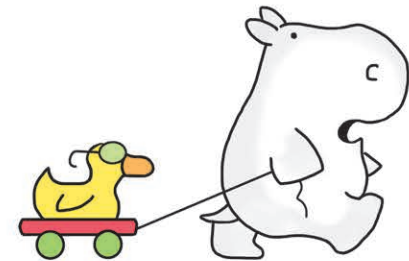

We hippos
LOVE
our belly b's.
They're
round and
cute and
funny.

And there's a place
we take them to
when summer days
are sunny.

Come!

"BEE BO!"

Ah!

Look at
all the hippos
with a
belly button
each!

Do you wonder
where we are?
